Prudential plc ("Prudential") has today announced its 2023 second interim dividend of 14.21 US cents per ordinary share.

Shareholders holding shares on the UK or Hong Kong share registers will receive their dividend payments in either pounds sterling or Hong Kong dollars respectively, unless they elect to receive dividend payments in US dollars. Elections for US dollar payments must be made through the relevant UK or Hong Kong share registrar on or before 24 April 2024. Further information is available at <https://www.prudentialplc.com/en/investors/shareholder-information/dividend/dividend-currency-election>

The corresponding amount per share in pounds sterling and Hong Kong dollars is expected to be announced on or about 2 May 2024. The US dollar to pound sterling and to Hong Kong dollar conversion rates will be determined by the actual rates achieved by Prudential buying those currencies.

Shareholders holding an interest in Prudential shares through The Central Depository (Pte) Limited ("CDP") in Singapore will receive their dividend payments in Singapore dollars, at an exchange rate determined by CDP.
