The Trustee shall hold the benefit of this covenant upon trust for itself and the Holders and the Couponholders according to its and their respective interests.

The Issuer will not make any payment and any such payment shall not be payable under or arising from such Notes, the Coupons or these presents relating to them or arising therefrom by the Issuer unless the Issuer satisfies the Issuer Solvency Condition both at the time of, and immediately after, any such payment. For this purpose, the Issuer shall satisfy the Issuer Solvency Condition if:

- (i) it is able to pay its debts to all Issuer Senior Creditors, the Holders of the Notes and the holders of any Issuer Parity Securities as they fall due; and
- (ii) its total Assets exceed total Liabilities, other than Liabilities to persons who are neither Issuer Senior Creditors, the Holders of the Notes nor the holders of any Issuer Parity Securities:

Unless otherwise permitted by the Relevant Regulator, the Issuer will not make any payment of principal and any such payment shall not be payable unless the Regulatory Capital Requirement is met by the Issuer both at the time of, and immediately after, any such payment; and
- (ii) only if Regulatory Capital Requirement (All Amounts) is specified as being applicable in the Final Terms, all payments by the Issuer under or arising from any Notes, the Coupons or these presents, other than payments to the Trustee made in

Unless otherwise permitted by the Relevant Regulator, the Issuer will not make any payment and any such payment shall not be payable under or arising from the Notes, the Coupons or these presents relating to them or arising therefrom, unless the Regulatory Capital Requirement is met by the Issuer both at the time of, and immediately after, any such payment.

- 7.4 The Issuer may at any time and shall whenever requested by the Trustee procure a report as to whether the Issuer satisfies the Issuer Solvency Condition for the purposes of subparagraph 7.3 above by two Directors of the Issuer or, if the Issuer is in winding up in England and Wales, its liquidator and, in the absence of manifest error any such report shall be treated and accepted by the Issuer, the Guarantor (where the Issuer is PFA), the Trustee, the Holders of the Notes and the Couponholders as correct and sufficient evidence thereof and may be relied upon by the Trustee without further enquiry. In the absence of any such report to the contrary, it shall for the purposes hereof be assumed (unless the contrary is proved prior to the date of payment or, for the purposes of the second and fourth trusts of Clause 11, within 30 days after receipt by the Trustee of any moneys from the Issuer in respect of such Notes) that the Issuer is and will after any payment hereunder satisfy the Issuer Solvency Condition for the purposes of subparagraph 7.3 above . In the event of the delivery of a report of two Directors of the Issuer that the Issuer will not satisfy the Issuer Solvency Condition, the Issuer shall procure that the Auditors shall provide within 30 days of the date of such report of two Directors of the Issuer, a report of the Auditors as to whether or not the Issuer satisfies the Issuer Solvency Condition for the purposes of subparagraph 7.3 above and such report of the Auditors shall supersede the report of two Directors of the Issuer for all purposes of these presents.
- 7.5 The Issuer may at any time and shall whenever requested by the Trustee procure a report as to the Issuer's compliance with the Regulatory Capital Requirement for the purposes of subparagraph 7.3 above signed by two Directors of the Issuer or, if there is a winding-up of the Issuer in England and Wales, the liquidator of the Issuer and any such report shall, in the absence of manifest error, be treated and accepted by the Issuer, the Guarantor (where the Issuer is PFA), the Trustee, the Holders of the Notes and the Couponholders as correct and sufficient evidence thereof and may be relied upon by the Trustee without further enquiry. In the absence of any such report to the contrary, it shall for the purposes hereof be assumed (unless the contrary is proved prior to the date of payment or, for the purposes of the second and fourth trusts of Clause 11, within 30 days after receipt by the Trustee of any moneys from the Issuer in respect of such Notes) that the Issuer is and will after any payment hereunder satisfy the Regulatory Capital Requirement for the purposes of subparagraph 7.3 above .

Without prejudice to the rest of these presents, amounts representing payments of (i) only if Regulatory Capital Requirement (All Amounts) is specified as applicable in the Final Terms, any amount or (ii) only if Regulatory Capital Requirement (Principal) is specified as applicable in the Final Terms, any payment of principal, under or arising from the Deeply Subordinated Notes, Subordinated Notes, any relative Coupon and these presents relating to them in respect of which the Issuer Solvency Condition, or the Regulatory Capital Requirement is not met, both at the time of, and immediately after, the time at which the same would otherwise be due and payable (**Solvency Claims**), will be payable by the Issuer in a winding-up of the Issuer as provided in Conditions 3.1 and 3.2 and this Clause 7. A Solvency Claim shall not bear interest, except in the limited circumstances referred to in Condition 6.8.

- 7.6 The trust secondly mentioned in paragraph 7.3 above may be performed by the Trustee repaying to the liquidator for the time being of the Issuer (the **Liquidator**) the amount so to be distributed on terms that the Liquidator shall distribute the same accordingly and in that event the Trustee shall not be bound to supervise such distribution and the receipt of the Liquidator for any moneys so paid by the

Trustee to him shall be a good discharge to the Trustee for the performance by the Trustee of the trust secondly mentioned in paragraph 7.3 above .

7.7 The Trustee shall be entitled and it is hereby authorised to call for and to accept as conclusive evidence thereof a certificate from the Liquidator as to:

- (a) the amounts of the claims of all Issuer Senior Creditors referred to in paragraph 7.3 above; and/or
- (b) the persons entitled thereto and their respective entitlements.

8. GUARANTEE

8.1 Subject as provided in the Conditions and in this Clause 8, the Guarantor hereby irrevocably guarantees to the Trustee:

- (a) the due and punctual payment in accordance with the provisions of these presents of the principal, interest and any other sums expressed or deemed to be payable by PFA in respect of the Senior Notes and relative Coupons;
- (b) on a subordinated basis, the due and punctual payment in accordance with the provisions of these presents of the principal, interest and any other sums expressed or deemed to be payable by PFA in respect of the Subordinated Notes and relative Coupons;
- (c) on a subordinated basis, the due and punctual payment in accordance with the provisions of these presents of the principal, interest and any other sums expressed or deemed to be payable by PFA in respect of the Deeply Subordinated Notes and relative Coupons; and
- (d) and the due and punctual performance and observance by PFA of each of the other provisions under or pursuant to these presents.

8.2 If PFA fails for any reason whatsoever to punctually pay when due and payable any such principal, interest or other amount in connection with the Notes, the Guarantor shall (subject as provided in the Conditions and this Clause 8) as an independent primary obligation, cause each and every such payment to be made as if the Guarantor instead of PFA were expressed to be the primary obligor and indemnify the Trustee, the Holders and Couponholders against each and every amount due and payable by PFA under these presents or in respect of the Notes to the extent that the Trustee, the Holders or Couponholders (as the case may be) shall receive the same amounts in respect of principal payments, interest or such other amount as would have been receivable had such payments been made by PFA.

8.3 If any payment received by the Trustee or any Holder or Couponholder under the provisions of these presents shall (whether on the subsequent winding-up, insolvency or corporate reorganisation of PFA or, without limitation, on any other event) be avoided or set aside for any reason, such payment shall not be considered as discharging or diminishing the liability of the Guarantor and this Guarantee shall continue to apply as if such payment had at all times remained owing by PFA and the Guarantor shall (subject as provided in the Conditions and in this Clause 8) indemnify the Trustee and the Holders and/or Couponholders (as the case may be) in respect thereof provided that the obligations of PFA and/or the Guarantor under this sub-clause shall, as regards each payment made to the Trustee or any Holder or Couponholder which is avoided or set aside, be contingent upon such payment being reimbursed to PFA or other persons entitled through PFA.

8.4 Any amount received by the Trustee (otherwise than as a result of a payment by PFA to the Trustee in accordance with Clause 2.2) in respect of any sum payable by PFA under these presents or the Notes may be placed in a suspense account and kept there for so long as the Trustee thinks fit.

- 8.5 The Guarantor hereby agrees that (subject as provided in the Conditions) it shall be fully liable irrespective of the validity, regularity, legality or enforceability against PFA of, or of any defence or counterclaim whatsoever available to PFA in relation to, its obligations under these presents, whether or not any action has been taken to enforce the same or any judgment obtained against PFA, whether or not any of the other provisions of these presents have been amended or modified, whether or not any time, indulgence, waiver, authorisation or consent has been granted to PFA by or on behalf of the Holders or the Couponholders or the Trustee, whether or not there have been any dealings or transactions between PFA, any of the Holders or Couponholders or the Trustee, whether or not PFA has been dissolved, liquidated, merged, consolidated or has changed its status, functions, control or ownership, whether or not PFA has been prevented from making payment by foreign exchange provisions applicable at its place of registration or incorporation and whether or not any other circumstances have occurred which might otherwise constitute a legal or equitable discharge of or defence to PFA and/or a guarantor. Accordingly the validity of this Guarantee shall not be affected by reason of any invalidity, irregularity, illegality or unenforceability of all or any of the obligations of PFA under these presents and this Guarantee shall not be discharged nor shall the liability of the Guarantor under this Guarantee be affected by any act, thing or omission or means whatever whereby its liability would not have been discharged if it had been the principal debtor.
- 8.6 Without prejudice to the provisions of Condition 18, the Trustee may determine from time to time whether or not it will enforce this Guarantee which it may do without making any demand of or taking any proceedings against PFA upon a payment becoming due from PFA in accordance with the provisions of these presents and may from time to time make any arrangement or compromise with the Guarantor in relation to this Guarantee which the Trustee may consider expedient in the interests of the Holders.
- 8.7 The Guarantor waives diligence, presentment, filing of claims with a court in the event of dissolution, liquidation, merger, bankruptcy or insolvency of PFA, any right to require a proceeding first against PFA, protest or notice with respect to these presents or the indebtedness evidenced thereby and all demands whatsoever and covenants that this Guarantee shall be a continuing guarantee, shall extend to the ultimate balance of all sums payable and obligations owed by PFA under these presents in respect of, or in connection with, the Notes, shall not be discharged except by complete performance of the obligations in respect of payments relating to the Notes in these presents and is additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person, whether from the Guarantor or otherwise.
- 8.8 If any moneys shall become payable by the Guarantor under this Guarantee the Guarantor shall not, so long as the same remain unpaid, without the prior written consent of the Trustee:
- (a) in respect of any amounts paid by it under this Guarantee, exercise any rights of subrogation or contribution or, without limitation, any other right or remedy which may accrue to it in respect of or as a result of any such payment (any such right or remedy, the **Guarantor's Rights Against PFA**); or
 - (b) in respect of any other moneys for the time being due to the Guarantor by PFA, claim payment thereof or exercise any other right or remedy,

(including in either case claiming the benefit of any security or right of set-off or, on the liquidation of PFA, proving in competition with the Trustee). If, notwithstanding the foregoing, upon the insolvency, liquidation or administration of PFA, any payment or distribution of assets of PFA of any kind or character, whether in cash, property or securities, shall be received by the Guarantor before payment in full of all amounts payable under these presents shall have been made to the Holders, the Couponholders and the Trustee, such payment or distribution shall be received by the Guarantor on trust to pay the same over immediately to the Trustee for application in or towards the payment of all sums due and unpaid under these presents in accordance with Clause 11.

Notwithstanding any other provisions of these presents, any of the Guarantor's Rights Against PFA will be subject to Condition 3, *mutatis mutandis*, as if they were claims of the Holders, Couponholders or Trustee against PFA in respect of the Notes. If the Guarantor claims any amount from PFA by exercising any Guarantor's Rights Against PFA when it is permitted to do so in accordance with this Clause and PFA does not make such payment to the Guarantor, or such payment is not set-off in full against any amount owing by the Guarantor to PFA, the Guarantor may institute proceedings for the winding-up of PFA in England and Wales (but not elsewhere) and/or prove in the winding-up or administration of PFA whether in England and Wales (or elsewhere) and/or claim in the liquidation of PFA whether in England and Wales (or elsewhere) for such payment but may take no further or other action to enforce, prove or claim for such payment.

- 8.9 The claims of the Trustee, the Holders and the Couponholders against the Guarantor in respect of Senior Notes issued by PFA and any relative Coupons shall, in the event of the winding up of the Guarantor, rank *pari passu* with all other outstanding, unsecured and non-subordinated obligations of the Guarantor (subject as aforesaid and to such exceptions as are from time to time applicable under the laws of the United Kingdom).
- 8.10 The claims of the Trustee, the Holders and the Couponholders against the Guarantor in respect of Deeply Subordinated Notes issued by PFA and any relative Coupons shall, in the event of the winding up of the Guarantor, be subordinated to the claims of all Guarantor Senior Creditors, including the claims of holders of any other series of subordinated debt securities issued by Prudential which are expressed to rank as senior to the Deeply Subordinated Notes Guarantee, and further shall rank (subject as aforesaid and to such exception as are from time to time applicable under the laws of the United Kingdom):

 - (ii) junior to:
 - (A) the obligations of Prudential pursuant to the Subordinated Notes issued by Prudential;
 - (B) the obligations of Prudential pursuant to the Subordinated Notes Guarantee;
 - (C) the obligations of Prudential pursuant to the Legacy Tier 2 Notes Guarantee for so long as the Legacy Tier 2 Notes remain outstanding; and
 - (D) all other obligations of Prudential which constitute or would, but for any applicable limitation on the amount of such capital, constitute Tier 2 Capital; and
 - (iii) in priority to the claims of all holders of classes of share capital of Prudential.

8.11 The claims of the Trustee, the Holders and the Couponholders against the Guarantor in respect of Subordinated Notes issued by PFA and any relative Coupons shall, in the event of the winding up of the Guarantor, be subordinated to the claims of all Guarantor Senior Creditors, including the claims of holders of any other series of subordinated debt securities issued by Prudential which are expressed to rank as senior to the Subordinated Notes Guarantee, and further shall rank (subject as aforesaid and to such exception as are from time to time applicable under the laws of the United Kingdom):

(i) at least *pari passu* with:

- (A) the obligations of Prudential pursuant to the Subordinated Notes issued by Prudential;
- (B) the obligations of Prudential pursuant to the Legacy Tier 2 Notes Guarantee for so long as the Legacy Tier 2 Notes remain outstanding; and

(ii) in priority to:

- (A) the obligations of Prudential pursuant to the Deeply Subordinated Notes issued by Prudential;

- (a) FIRST for application in payment or satisfaction of all amounts then due and unpaid under Clauses 16 and/or 17(j) to the Trustee and/or any Appointee;
- (b) SECONDLY for payment of the claims of all Guarantor Senior Creditors to the extent that such claims are admitted to proof in the winding-up of the Guarantor (not having been satisfied out of the other resources of the Guarantor) excluding interest accruing after commencement of the winding up;
- (c) THIRDLY as of the balance (if any) in or towards payment of all moneys due in respect of other series of subordinated debt securities issued by Prudential which are expressed to rank as senior to the Subordinated Notes;

- (f) SIXTHLY as of the balance (if any) to the liquidator for the time being of the Guarantor,

PROVIDED that (subject to the provisions of paragraph 8.16 below), only if the Solvency Condition is specified as being applicable in the Final Terms, all payments by the Guarantor under or arising from any Notes, the Coupons or these presents relating to them or arising therefrom, other than payments to the Trustee made in accordance with these presents in respect of, *inter alia*, the Trustee's fees, and remuneration and expenses and liabilities incurred by the Trustee in carrying out its duties under these presents, shall be conditional upon the Guarantor satisfying the Guarantor Solvency Condition both at the time of, and immediately after, any such payment. The Guarantor will not make any payment and any such payment shall not be payable under or arising from such Notes, the Coupons or these presents relating to them or arising therefrom by the Guarantor unless the Guarantor satisfies the Guarantor Solvency Condition both at the time of, and immediately after, any such payment. For this purpose, the Guarantor shall satisfy the Guarantor Solvency Condition if:

- (i) it is able to pay its debts to all Guarantor Senior Creditors, the Holders of the Notes and the holders of any Guarantor Parity Securities as they fall due; and
- (ii) its total Assets exceed total Liabilities, other than Liabilities to persons who are neither Guarantor Senior Creditors, the Holders of the Notes nor the holders of any Guarantor Parity Securities:

PROVIDED further that (subject to the provisions of paragraph 8.16 below):

- (iii) only if Regulatory Capital Requirement (Principal) is specified as being applicable in the Final Terms, all payments by the Guarantor of principal in respect of the Notes shall, unless otherwise permitted by the Relevant Regulator, be conditional upon the Regulatory Capital Requirements being met by the Guarantor both at the time of, and immediately after, any such payment. Unless otherwise permitted by the Relevant Regulator, the Guarantor will not make any payment of principal and any such payment shall not be payable unless the Regulatory Capital Requirement is met by the Guarantor both at the time of, and immediately after, any such payment; and
- (iv) only if Regulatory Capital Requirement (All Amounts) is specified as being applicable in the Final Terms, all payments by the Guarantor under or arising from any Notes, the Coupons or these presents, other than payments to the Trustee made in accordance with these presents in respect of, *inter alia*, the Trustee's fees, and remuneration and expenses and liabilities incurred by it in carrying out its duties under these presents, shall, unless otherwise permitted by the Relevant Regulator, be conditional upon the Regulatory Capital Requirement being met by the Guarantor both at the time of, and immediately after, any such payment. Unless otherwise permitted by the Relevant Regulator, the Guarantor will not make any payment and any such payment shall not be payable under or arising from the Notes, the Coupons or these presents relating to them or arising therefrom, unless the Regulatory Capital Requirement is met by the Guarantor both at the time of, and immediately after, any such payment.

8.13 The Guarantor may at any time and shall whenever requested by the Trustee procure a report as to whether the Guarantor satisfies the Guarantor Solvency Condition for the purposes of subparagraph 8.12 above by two Directors of the Guarantor or, if the Guarantor is in winding up in England and Wales, its liquidator and, in the absence of manifest error any such report shall be treated and accepted by PFA, the Guarantor, the Trustee, the Holders of the Notes and the Couponholders as correct and sufficient evidence thereof and may be relied upon by the Trustee without further enquiry. In the absence of any such report to the contrary, it shall for the purposes hereof be assumed (unless the contrary is proved prior to the date of payment or, for the purposes of the second and fourth trusts of Clause 11, within 30 days after receipt by the Trustee of any moneys from the Guarantor in respect of such Notes) that the Guarantor is and will after any payment hereunder satisfy the Guarantor Solvency Condition for the purposes of subparagraph 8.12 above. - (e) The Trustee shall not be responsible for the receipt or application of the proceeds of the issue of any of the Notes by the Issuer, the exchange of any Global Note for another Global Note or Definitive Notes or the delivery of any Global Note or Definitive Notes to the person(s) entitled to it or them.
- (f) The Trustee shall not be bound to give notice to any person of the execution of any documents comprised or referred to in these presents or to take any steps to ascertain whether any Event of Default or any Potential Event of Default has occurred and, until it shall have actual knowledge or express notice pursuant to these presents to the contrary, the Trustee shall be entitled to assume that no Event of Default or Potential Event of Default has occurred and that the Issuer and (where the Issuer is PFA) the Guarantor are observing and performing all its obligations under these presents.
- (g) Save as expressly otherwise provided in these presents, the Trustee shall have absolute and uncontrolled discretion as to the exercise or non-exercise of its trusts, powers, authorities and discretions under these presents (the exercise or non-exercise of which as between the Trustee and the Holders and Couponholders shall be conclusive and binding on the Holders and Couponholders) and shall not be responsible for any Expense which may result from their exercise or non-exercise.
- (h) The Trustee shall not be liable to any person by reason of having acted upon any Extraordinary Resolution in writing or any Extraordinary or other resolution purporting to have been passed at any meeting of the Holders of Securities of all or any series in respect whereof minutes have been made and signed or any direction or request of the Holders of Securities of all or any series even though subsequent to its acting it may be found that there was some defect in the constitution of the meeting or the passing of the resolution or (in the case of an Extraordinary Resolution in writing) that not all of the requisite Holders had signed the Extraordinary Resolution or (in the case of a direction or request) it was not signed by the requisite number of Holders or that for any reason the resolution, direction or request, was not valid or binding upon such Holders and the relative Couponholders.

- (i) The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any Note, Receipt or Coupon purporting to be such and subsequently found to be forged or not authentic.
- (j) Without prejudice to the right of indemnity by law given to trustees and subject to section 750 of the Companies Act 2006, each of the Issuer and (where the Issuer is PFA) the Guarantor shall jointly and severally indemnify the Trustee and every Appointee and keep it or him indemnified against all Expenses (which expression shall exclude any amount payable to the Trustee pursuant to Clause 16.3 where such amount has already been paid to the Trustee) to which it or he may be or become subject or which may be incurred by it or him in the execution or purported execution of any of its or his trusts, powers, authorities and discretions under these presents or its or his functions under any such appointment or in respect of any other matter or thing done or omitted in any way relating to these presents or any such appointment excluding any tax levied on the Trustee or such Appointee by reference to the net income, profits or gains of the Trustee or, as the case may be, such Appointee.
- (k) Any consent or approval given by the Trustee for the purposes of these presents may be given on such terms and subject to such conditions (if any) as the Trustee thinks fit and notwithstanding anything to the contrary in these presents may be given retrospectively.
- (l) The Trustee shall not (unless and to the extent ordered so to do by a court of competent jurisdiction) be required to disclose to any Holder or Couponholder any information (including, without limitation, information of a confidential, financial or price sensitive nature) made available to the Trustee by the Issuer or (where the Issuer is PFA) the Guarantor or any other person in connection with the trusts of these presents and no Holder or Couponholder shall be entitled to take any action to obtain from the Trustee any such information.
- (m) Where it is necessary or desirable for any purpose in connection with these presents to convert any sum from one currency to another it shall (unless otherwise provided by these presents or required by law) be converted at such rate or rates, in accordance with such method and as at such date for the determination of such rate of exchange, as may be agreed by the Trustee in consultation with the Issuer and any rate, method and date so agreed shall be binding on the Issuer, the Guarantor (where the Issuer is PFA) the Holders and the Couponholders.
- (n) The Trustee as between itself and the Holders and the Couponholders may determine all questions and doubts arising in relation to any of the provisions of these presents. Every such determination, whether or not relating in whole or in part to the acts or proceedings of the Trustee, shall be conclusive and shall bind the Trustee and the Holders and the Couponholders.
- (o) In connection with the exercise by it of any of its trusts, powers, authorities or discretions under these presents (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the general interests of the Holders as a class but shall not have regard to any interests arising from circumstances particular to individual Holders or Couponholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of such exercise for individual Holders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Holder or Couponholder be entitled to claim, from the Issuer, the Guarantor (where the Issuer is PFA), the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Holders or Couponholders except to the extent already provided for in Condition

16, and/or any undertaking given in addition thereto or in substitution therefor under these presents.

- (p) Any trustee of these presents being a lawyer, accountant, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual professional and other charges properly incurred for business transacted and acts done by him or his firm in connection with the trusts of these presents and also his properly incurred charges in addition to disbursements for all other work and business done and all time spent by him or his firm in connection with matters arising in connection with these presents.
- (q) The Trustee may whenever it thinks fit delegate by power of attorney or otherwise to any person or persons or fluctuating body of persons (whether being a joint trustee of these presents or not) all or any of its trusts, powers, authorities and discretions vested in the Trustee by these presents. Such delegation may be made upon such terms (including power to sub-delegate) and subject to such conditions and regulations as the Trustee may in the interests of the Holders think fit. The Trustee shall not be under any obligation to supervise the proceedings or acts of any such delegate or sub-delegate or be in any way responsible for any Expense incurred by reason of any misconduct or default on the part of any such delegate or sub-delegate. The Trustee shall within a reasonable time after any such delegation or any renewal, extension or termination thereof give notice thereof to the Issuer.
- (r) The Trustee may in the conduct of the trusts of these presents instead of acting personally employ and pay an agent (whether being a lawyer or other professional person) to transact or conduct, or concur in transacting or conducting, any business and to do, or concur in doing, all acts required to be done in connection with these presents (including the receipt and payment of money). The Trustee shall not be in any way responsible for any Expense incurred by reason of any misconduct or default on the part of any such agent or be bound to supervise the proceedings or acts of any such agent.
- (s) The Trustee shall not be responsible for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence of these presents or any other document relating or expressed to be supplemental thereto and shall not be liable for any failure to obtain any licence, consent or other authority for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, performance, enforceability or admissibility in evidence of these presents or any other document relating or expressed to be supplemental thereto.
- (t) The Trustee may call for any certificate or other document to be issued or given by Euroclear or Clearstream, Luxembourg as to the nominal amount of Notes represented by a Global Note standing to the account of any person. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream, Luxembourg's Creation Online system) in accordance with its usual procedures and in which the holder of a particular principal amount of Notes is clearly identified together with the amount of such holding. The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any document and/or evidence and/or information and/or certification to such effect purporting to be issued or given by Euroclear or Clearstream, Luxembourg and subsequently found to be forged or not authentic.
- (u) Any certificate or report of the Auditors or any other expert called for by or provided to the Trustee (whether or not addressed to the Trustee) in accordance with or for the purposes of these presents may be relied upon by the Trustee as sufficient evidence of the facts stated therein notwithstanding that such certificate or report and/or any engagement letter or other

document entered into by the Trustee in connection therewith contains a monetary or other limit on the liability of the Auditors or such other expert in respect thereof.

- (v) The Trustee may appoint and pay any person to act as a custodian or nominee on any terms in relation to such assets of the trusts constituted by these presents as the Trustee may determine, including for the purpose of depositing with a custodian these presents or any document relating to the trusts constituted by these presents and the Trustee shall not be responsible for any Liability incurred by reason of the misconduct, omission or default on the part of any person appointed by it hereunder or be bound to supervise the proceedings or acts of such person; the Trustee is not obliged to appoint a custodian if the Trustee invests in securities payable to bearer.
- (w) The Trustee shall not be bound to take any steps to ascertain whether any Regulatory Event, Tax Event or Tax Law Change (each as defined in the relevant Conditions) has occurred or any event has occurred by reason of which the payment of interest or other amounts may be deferred or not made and, until it shall have actual knowledge or express notice pursuant to these presents to the contrary, the Trustee shall be entitled to assume that no such event has occurred.
- (x) The Trustee may call for and shall rely on any records, certificate or other document of or to be issued by Euroclear or Clearstream, Luxembourg in relation to any determination of the principal amount of Notes represented by a NGN. In the absence of manifest error, any such records, certificate or other document shall be conclusive and binding for all purposes. The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any such records, certificate or other document to such effect purporting to be issued by Euroclear or Clearstream, Luxembourg and subsequently found to be forged or not authentic in the absence of manifest error.
- (y) No provision of the Trust Deed or the Conditions shall require the Trustee to do anything which may in its opinion, acting reasonably, be illegal or contrary to applicable law or regulation.
- (z) Nothing contained in the Trust Deed shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties or the exercise of any right, power, authority or discretion hereunder if it has reasonable grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not assured to it.
- (aa) The Trustee shall not be bound to take any steps to enforce the performance of any provisions of this Trust Deed or the Notes or to appoint an independent financial advisor pursuant to the Conditions of the Trust Deeds unless it shall be indemnified and/or secured and/or prefunded by the relevant Noteholders to its satisfaction against all proceedings, claims and demands to which it may be liable and against all costs, charges, liabilities and expenses which may be incurred by it in connection with such enforcement or appointment, including the cost of its managements' time and/or other internal resources, calculated using its normal hourly rates in force from time to time.
- (bb) The Trustee shall be entitled to require that any indemnity or security given to it by the Noteholders or any of them be given on a joint and several basis and be supported by evidence satisfactory to it as to the financial standing and creditworthiness of each counterparty and/or as to the value of the security and an opinion as to the capacity, power and authority of each counterparty and/or the validity and effectiveness of the security.

18. TRUSTEE'S LIABILITY

The duty of care contained in Section 1 of the Trustee Act 2000 shall not apply to these presents. Subject to section 750 of the Companies Act 2006, nothing in these presents shall in any case in which the Trustee has failed to show the degree of care and diligence required of it as trustee having regard to the provisions of these presents conferring on it any trusts, powers, authorities or discretions exempt the Trustee from or indemnify it against any liability for negligence, wilful default or fraud of which it may be guilty in relation to its duties under these presents.

19. TRUSTEE CONTRACTING WITH THE ISSUER AND THE GUARANTOR

Neither the Trustee (which for the purpose of this Clause shall include the Holding Company of any corporation acting as trustee hereof or any Subsidiary of such Holding Company) nor any director or officer or Holding Company, Subsidiary or associated company of a corporation acting as a trustee under these presents shall by reason of its or his fiduciary position be in any way precluded from:

- (a) entering into or being interested in any contract or financial or other transaction or arrangement with the Issuer or (where the Issuer is PFA) the Guarantor or any person or body corporate associated with the Issuer or (where the Issuer is PFA) the Guarantor (including without limitation any contract, transaction or arrangement of a banking or insurance nature or any contract, transaction or arrangement in relation to the making of loans or the provision of financial facilities or financial advice to, or the purchase, placing or underwriting of or the subscribing or procuring subscriptions for or otherwise acquiring, holding or dealing with, or acting as paying agent in respect of, the Notes or any other notes, bonds, stocks, shares, debenture stock, debentures or other securities of, the Issuer or (where the Issuer is PFA) the Guarantor or any person or body corporate associated as aforesaid); or
- (b) accepting or holding the trusteeship of any other trust deed constituting or securing any other securities issued by or relating to the Issuer or (where the Issuer is PFA) the Guarantor or any such person or body corporate so associated or any other office of profit under the Issuer or or (where the Issuer is PFA) the Guarantor any such person or body corporate so associated,

and each shall be entitled to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such contract, transaction or arrangement as is referred to in (a) above or, as the case may be, any such trusteeship or office of profit as is referred to in (b) above without regard to the interests of the Holders and notwithstanding that the same may be contrary or prejudicial to the interests of the Holders and shall not be responsible for any Expense occasioned to the Holders thereby and shall be entitled to retain and shall not be in any way liable to account for any profit made or share of brokerage or commission or remuneration or other amount or benefit received thereby or in connection therewith.

Where any Holding Company, Subsidiary or associated company of the Trustee or any director or officer of the Trustee acting other than in his capacity as such a director or officer has any information, the Trustee shall not thereby be deemed also to have knowledge of such information and, unless it shall have actual knowledge of such information, shall not be responsible for any loss suffered by Holders resulting from the Trustee's failing to take such information into account in acting or refraining from acting under or in relation to these presents.

20. WAIVER, AUTHORISATION AND DETERMINATION

The Trustee may without the consent or sanction of the Holders or the Couponholders and without prejudice to its rights in respect of any subsequent breach, Event of Default or Potential Event of Default from time to time and at any time but only if and in so far as in its opinion the interests of the Holders shall not be materially prejudiced thereby waive or authorise any breach or proposed breach

by the Issuer and/or (where the Issuer is PFA) the Guarantor of any of the covenants or provisions contained in these presents or determine that any Event of Default or Potential Event of Default shall not be treated as such for the purposes of these presents PROVIDED ALWAYS THAT the Trustee shall not exercise any powers conferred on it by this Clause in contravention of any express direction given by Extraordinary Resolution or by a request under Condition 18 (only if Restrictive Events of Default are specified as applicable in the Final Terms) or Condition 19 (only if Non-Restrictive Events of Default are specified as applicable in the Final Terms), as the case may be, but so that no such direction or request shall affect any waiver, authorisation or determination previously given or made. In the case of any waiver in respect of Notes where Relevant Regulator Consent is specified as applicable in the Final Terms, the Issuer shall have given prior notice to the Relevant Regulator and the Relevant Regulator shall have consented to or approved such waiver (in each case in accordance with, and to the extent required under, the Capital Regulations applicable in relation to Tier 1 Capital or Tier 2 Capital (as applicable)). Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Trustee may determine, shall be binding on the Holders and the Couponholders and, if, but only if, the Trustee shall so require, shall be notified by the Issuer to the Holders in accordance with Condition 23, as soon as practicable thereafter.

21. MODIFICATION

The Trustee may without the consent or sanction of the Holders or the Couponholders at any time and from time to time concur with the Issuer and (where the Issuer is PFA) the Guarantor in making any modification (a) to these presents which in the opinion of the Trustee it may be proper to make PROVIDED THAT the Trustee is of the opinion that such modification will not be materially prejudicial to the interests of the Holders or (b) to these presents if in the opinion of the Trustee such modification is of a formal, minor or technical nature or to correct a manifest error or an error which, in the opinion of the Trustee, is proven. In the case of any modification to these presents in respect of Notes where Relevant Regulator Consent is specified as applicable in the Final Terms, the Issuer shall have given prior notice to the Relevant Regulator and the Relevant Regulator shall have consented to or approved such modification (in each case in accordance with, and to the extent required under, the Capital Regulations applicable in relation to Tier 1 Capital or Tier 2 Capital (as applicable)). Any such modification may be made on such terms and subject to such conditions (if any) as the Trustee may determine.

In addition, the Trustee shall be obliged to concur with the Issuer and (where the Issuer is PFA) the Guarantor in effecting any amendments to the interest calculation provisions and provisions related thereto of the Notes in the circumstances and as otherwise set out in Conditions 9 and 10 without the requirement for the consent or sanction of the Holders or Couponholders.

Any such modification effected in accordance with this Clause, shall be binding upon the Holders and the Couponholders and, unless the Trustee agrees otherwise, shall be notified by the Issuer to the Holders in accordance with Condition 23 as soon as practicable thereafter.

22. BREACH

Any breach of or failure to comply by the Issuer or (where the Issuer is PFA) the Guarantor with any such terms and conditions as are referred to in Clause 20 and 21 shall constitute a default by the Issuer or (where the Issuer is PFA) the Guarantor in the performance or observance of a covenant or provision binding on it under or pursuant to these presents.

23. HOLDER OF DEFINITIVE BEARER NOTE ASSUMED TO BE COUPONHOLDER

Wherever in these presents the Trustee is required or entitled to exercise a power, trust, authority or discretion under these presents, except as ordered by a court of competent jurisdiction or as required

by applicable law, the Trustee shall, notwithstanding that it may have express notice to the contrary, assume that each Holder is the holder of all Coupons appertaining to each Definitive Bearer Note of which he is the holder.

24. NO NOTICE TO COUPONHOLDERS

Neither the Trustee nor the Issuer nor (where the Issuer is PFA) the Guarantor shall be required to give any notice to Couponholders for any purpose under these presents and the Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with Condition 23.

25. CURRENCY INDEMNITY

The Issuer and (where the Issuer is PFA) the Guarantor shall severally indemnify the Trustee, every Appointee, the Holders and the Couponholders and keep them indemnified against:

- (a) any loss or damage incurred by any of them arising from the non-payment by the Issuer or, as the case may be, the Guarantor (where the Issuer is PFA) of any amount due to the Trustee or the holders of the Notes issued by the Issuer and the relative Couponholders under these presents by reason of any variation in the rates of exchange between those used for the purposes of calculating the amount due under a judgment or order in respect thereof and those prevailing at the date of actual payment by the Issuer or, as the case may be, the Guarantor (where the Issuer is PFA); and
- (b) any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the local currency equivalent of the amounts due or contingently due under these presents (other than this Clause) is calculated for the purposes of any bankruptcy, insolvency or liquidation of the Issuer or, as the case may be, the Guarantor (where the Issuer is PFA) and (ii) the final date for ascertaining the amount of claims in such bankruptcy, insolvency or liquidation. The amount of such deficiency shall be deemed not to be reduced by any variation in rates of exchange occurring between the said final date and the date of any distribution of assets in connection with any such bankruptcy, insolvency or liquidation.

The above indemnities shall constitute obligations of the Issuer and (where the Issuer is PFA) the Guarantor separate and independent from their other obligations under the other provisions of these presents and shall apply irrespective of any indulgence granted by the Trustee or the Holders or the Couponholders from time to time and shall continue in full force and effect notwithstanding the judgment or filing of any proof or proofs in any bankruptcy, insolvency or liquidation of the Issuer or, as the case may be, the Guarantor (where the Issuer is PFA) for a liquidated sum or sums in respect of amounts due under these presents (other than this Clause). Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Holders and the Couponholders and no proof or evidence of any actual loss shall be required by the Issuer or, as the case may be, the Guarantor (where the Issuer is PFA) or their liquidator or liquidators.

26. SUBSTITUTION

- 26.1 (a) The Trustee may, without the consent of the Holders or Couponholders (but, in the case of Notes where Relevant Regulator Consent is specified as being applicable in the Final Terms, with the prior consent or approval of the Relevant Regulator (if required)), at any time agree to the substitution (a) in place of the Issuer (or of the previous substitute under this Clause) as the principal debtor under these presents of (i) any Subsidiary of the Issuer, (ii) any successor in business of the Issuer, (iii) any Holding Company of the Issuer or (iv) any other Subsidiary of such Holding Company or (b) (where the Issuer is PFA) in place of the Guarantor (or of the previous substitute under this Clause) as guarantor of PFA's obligations under the Notes, the

relative Coupons and these presents of (i) any successor in business of the Guarantor or (ii) any Holding Company of the Guarantor (any such substituted company in the case of both (a) and (b) above being hereinafter called the **New Company**) provided that a trust deed is executed or some other form of undertaking is given by the New Company in form and manner satisfactory to the Trustee, agreeing to be bound by the provisions of these presents with any consequential amendments which the Trustee may deem appropriate as fully as if the New Company had been named in these presents as the principal debtor in place of the Issuer (or of the previous substitute under this Clause) or (where the Issuer is PFA) as guarantor in place of the Guarantor (or of the previous substitute under this Clause) (as applicable) and provided further that, in the case of the substitution of the Issuer, (except where the New Company is Prudential or the successor in business or the Holding Company of Prudential) Prudential or its Holding Company unconditionally and irrevocably guarantees all amounts payable under these presents by the New Company to the satisfaction of the Trustee and provided further that the obligations of Prudential or its Holding Company under such guarantee shall be subordinated on a basis considered by the Trustee to be equivalent to that described in Condition 3.1, if the relevant Notes are Deeply Subordinated Notes, or Condition 3.2 if the relevant Notes are Subordinated Notes.

(b) The following further conditions shall apply to Clause 26.1(a) above:

- (i) the Issuer, the Guarantor (where the Issuer is PFA) and the New Company shall comply with such other requirements as the Trustee may direct in the interests of the Holders;
- (ii) where the New Company is incorporated, domiciled or resident in, or subject generally to the taxing jurisdiction of, a territory other than or in addition to the United Kingdom or any political sub-division or any authority therein or thereof having power to tax, undertakings or covenants shall be given by the New Company in terms corresponding to the provisions of Condition 16, with the substitution for (or, as the case may be, the addition to) the references to the United Kingdom of references to that other or additional territory in which the New Company is incorporated, domiciled or resident or to whose taxing jurisdiction it is subject and (where applicable) Condition 15.4, Condition 15.5 and/or Condition 15.6 shall be modified accordingly;
- (iii) without prejudice to the rights of reliance of the Trustee under the immediately following paragraph (iv), the Trustee is satisfied that the relevant transaction is not materially prejudicial to the interests of the Holders;
- (iv) if two Directors of the New Company (or other officers acceptable to the Trustee) shall certify that the New Company is solvent at the time at which the relevant transaction is proposed to be effected (which certificate the Trustee may rely upon absolutely) the Trustee shall not be under any duty to have regard to the financial condition, profits or prospects of the New Company or to compare the same with those of the Issuer or the Guarantor (as the case may be) or the previous substitute under this Clause as applicable; and
- (v) the Trustee shall have received confirmation in writing satisfactory to it from any rating agency which, at the request of the Issuer or (where the Issuer is PFA) the Guarantor, shall have assigned a credit rating to the Notes that such substitution by itself and the circumstances pertaining to such substitution will not result in a downgrading of the then current credit rating assigned to the Notes by such rating agency.

27. NEW TRUSTEE

The power to appoint a new trustee of these presents shall be vested in the Issuers jointly but no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution. One or more persons may hold office as trustee or trustees of these presents but such trustee or trustees shall be or include a Trust Corporation. Whenever there shall be more than two trustees of these presents the majority of such trustees shall be competent to execute and exercise all the duties, powers, trusts, authorities and discretions vested in the Trustee by these presents provided that a Trust Corporation shall be included in such majority. Any appointment of a new trustee of these presents shall as soon as practicable thereafter be notified by the Issuers to the Issue and Paying Agent, the Registrar and the Holders.

28. SEPARATE AND CO-TRUSTEES

The Trustee may, upon giving prior written notice to the Issuer and the Guarantor (where the Issuer is PFA) and after consultation with the Issuer where, in the reasonable opinion of the Trustee, such consultation will not be materially prejudicial to the interests of the Holders but without the consent of the Issuer, the Guarantor (where the Issuer is PFA), the Holders or the Couponholders, appoint any person established or resident in any jurisdiction (whether a Trust Corporation or not) to act either as a separate trustee or as a co-trustee jointly with the Trustee:

- (a) if the Trustee considers such appointment to be in the interests of the Holders;
- (b) for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts is or are to be performed; or
- (c) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of these presents against the Issuer or (where the Issuer is PFA) the Guarantor.

Each of the Issuer and the Guarantor (where the Issuer is PFA) irrevocably appoints the Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of these presents) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Trustee by these presents) and such duties and obligations as shall be conferred or imposed by the instrument of appointment. The Trustee shall have power in like manner to remove any such person. Such reasonable remuneration as the Trustee may pay to any such person, together with any attributable costs, charges and expenses incurred by it in performing its function as such separate trustee or co-trustee, shall for the purposes of these presents be treated as costs, charges and expenses incurred by the Trustee.

29. TRUSTEE'S RETIREMENT AND REMOVAL

A trustee of these presents may retire at any time on giving not less than three months' prior written notice to the Issuers without giving any reason and without being responsible for any Expenses incurred by reason of such retirement. The Holders shall have the power exercisable by Extraordinary Resolution to remove any trustee or trustees for the time being of these presents. The Issuers undertake that in the event of the only trustee of these presents which is a Trust Corporation giving notice under this Clause or being removed by Extraordinary Resolution they will use all reasonable endeavours to procure that a new trustee of these presents being a Trust Corporation is appointed as soon as reasonably practicable thereafter. The retirement or removal of any such trustee shall not become effective until a successor trustee being a Trust Corporation is appointed.

30. TRUSTEE'S POWERS TO BE ADDITIONAL

The powers conferred upon the Trustee by these presents shall be in addition to any powers which may from time to time be vested in the Trustee by the general law or as a holder of any of the Notes or Coupons.

6.7 Conditions to redemption, variation, substitution and purchase

- (a) This Condition 6.7 is applicable to the Notes only if Relevant Regulator Consent is specified as applicable in the Final Terms.
- (b) Except as otherwise indicated to the Issuer by the Relevant Regulator, the Issuer may not redeem, vary, substitute or purchase any Notes unless the Issuer has given prior notice to the Relevant Regulator and the Relevant Regulator has given its prior approval or consented in the form of a waiver or otherwise to such redemption, variation, substitution or purchase, in each case in accordance with, and to the extent required under, the Capital Regulations applicable in relation to Tier 1 Capital or Tier 2 Capital (as applicable).
- (c) Neither the Issuer, (where the Issuer is PFA) the Guarantor nor any Subsidiary of the Issuer or (where the Issuer is PFA) any Subsidiary of the Guarantor may redeem or purchase any Notes unless on and immediately after the relevant Redemption Date or date on which the Notes are to be purchased:
 - (i) if Regulatory Capital Requirement (Principal) or Regulatory Capital Requirement (All Amounts) is specified as applicable in the Final Terms, the Issuer is in compliance with the Regulatory Capital Requirement; and
 - (ii) if Solvency Condition is specified as applicable in the Final Terms, the Issuer satisfies the Issuer Solvency Condition or (where the Issuer is PFA) the Guarantor satisfies the Guarantor Solvency Condition, as the case may be,

or, in each case, as otherwise permitted by the Relevant Regulator.

- (d) Notwithstanding any other provision of these Conditions and except as otherwise indicated to the Issuer by the Relevant Regulator, where the Final Terms specify Regulatory Capital Qualification as applicable, if and to the extent required by the Capital Regulations applicable in relation to Tier 1 Capital or Tier 2 Capital (as applicable), the Issuer may not redeem the Notes prior to the fifth anniversary of the Issue Date of the Notes, unless the Issuer replaces the Notes with a new issuance of instruments of (in the case of Deeply Subordinated Notes) similar or

better quality or (in the case of Subordinated Notes) the same or higher quality, in each case, in accordance with the provisions of the Capital Regulations.

- (e) Any redemption, variation, substitution or purchase of Notes by the Issuer shall be made subject to such further conditions (if any) as the Relevant Regulator may impose in accordance with the Group Capital Rules at the relevant time and, for the avoidance of doubt, no such conditions may be imposed on any redemption of Notes on the Maturity Date.
- (f) The Trustee shall be entitled to rely on a certificate signed by two Directors of the Issuer or (where the Issuer is PFA) two Directors of the Guarantor (as applicable) as to whether or not the conditions to redemption, substitution, variation or purchase are met and, if the Trustee does so rely, such certificate shall, in the absence of manifest error, be conclusive and binding on the Holders.

6.8 Postponement of Redemption Date

- (a) If redemption of the Notes is to be postponed as a result of one or more of the conditions set out in Condition 6.7 not being met (as applicable), the Issuer or (where the Issuer is PFA) the Guarantor shall notify the Trustee and the Issue and Paying Agent in writing and notify the Holders in accordance with Condition 23 no later than two Business Days prior to the scheduled Redemption Date (or as soon as reasonably practicable if the relevant circumstance requiring redemption to be deferred arises, or is determined, less than two Business Days prior to the Redemption Date).
- (b) If redemption does not occur on the relevant Redemption Date as a result of the operation of Condition 6.2, Condition 6.3, Condition 6.4, or Condition 6.5 (as applicable), the Notes shall be redeemed at their principal amount outstanding or, if applicable, the Make Whole Redemption Price, on the date falling 10 Business Days after the first date following the relevant Redemption Date on which:
 - (i) if Solvency Condition is specified as applicable in the Final Terms, the Issuer satisfies the Issuer Solvency Condition and (where the Issuer is PFA) the Guarantor satisfies the Guarantor Solvency Condition; and
 - (ii) if Relevant Regulator Consent is specified as applicable in the Final Terms, the Relevant Regulator has given its prior approval or consented in the form of a waiver or otherwise to such redemption in accordance with, and to the extent required under, the Capital Regulations applicable in relation to Tier 1 Capital or Tier 2 Capital (as applicable).
- (c) No interest will accrue on any amounts not paid on the Notes as a result of the operation of Condition 6.2 and Condition 6.3, provided, however, that interest will accrue at the rate of interest specified in Condition 9 (in the case of Fixed Rate Notes), Condition 10 (in the case of Reset Notes), Condition 11 (in the case of Floating Rate Notes) or Condition 12 (in the case of Fixed/Floating Rate Notes) on such amounts from (and including) the 14th day following the date on which

such amounts become due and payable as set out in paragraph (b) of this Condition 6.8 to (but excluding) the date on which such amounts are paid.

- (d) If any redemption does not occur on the Redemption Date as a result of the operation of Condition 6.4 or Condition 6.5 (as applicable), the Notes shall be redeemed at their principal amount outstanding or, if applicable, the Make Whole Redemption Price upon the earlier of:
 - (i) the date falling 10 Business Days after the first date following the relevant Redemption Date on which the Regulatory Capital Requirement is met and would continue to be met if the Notes were redeemed on such date;
 - (ii) the date falling 10 Business Days after the date on which the Relevant Regulator has notified the Issuer of its waiver of the suspension of or agreement to the repayment or redemption of the Notes; and
 - (iii) the date on which an order is made, or an effective resolution is passed, for the winding-up in England and Wales of the Issuer or (where the Issuer is PFA) the Guarantor (except, in each case, a solvent winding-up solely for the purpose of a reconstruction or amalgamation or the substitution in place of the Issuer or (where the Issuer is PFA) the Guarantor (as applicable) of a successor in business of the Issuer or (where the Issuer is PFA) the Guarantor (as applicable)) the terms of which reconstruction, amalgamation or substitution:
 - (A) (in the case of an amalgamation or reconstruction) have previously been approved in writing by the Trustee or by an Extraordinary Resolution;
 - (B) (in the case of an amalgamation or reconstruction) do not provide that the Notes shall thereby become payable); and
 - (C) (in the case of a substitution) have been effected in accordance with Condition 24.4.
- (e) No interest will accrue on any amounts not paid on the Notes as a result of the operation of Condition 6.4 or Condition 6.5 (as applicable), provided, however, that interest will accrue at the rate of interest specified in Condition 9 (in the case of Fixed Rate Notes), Condition 10 (in the case of Reset Notes), Condition 11 (in the case of Floating Rate Notes) or Condition 12 (in the case of Fixed/Floating Rate Notes) on such amounts from (and including) the 14th day following the date on which such amounts become due and payable as set out in paragraph (d) of this Condition 6.8 to (but excluding) the date on which such amounts are paid.
- (f) The Issuer shall notify the Trustee and the Issue and Paying Agent in writing and notify the Holders in accordance with Condition 23 no later than five Business Days prior to the date on which the Notes are due to be redeemed pursuant to paragraph (b) or paragraph (d) of this Condition 6.8 of the revised Redemption Date.

- (g) The Issuer may not redeem any Notes pursuant to this Condition 6.8 unless the conditions to redemption set out in Condition 6.7 are met in respect of the revised Redemption Date.

6.9 No default

If the Issuer or (where the Issuer is PFA) the Guarantor fails to pay any amount under or arising from the Notes, any relative Coupons and the Trust Deed relating to them:

- (a) due to the operation of Condition 6.2, Condition 6.3, Condition 6.4 or Condition 6.5 (as applicable); or
- (b) because one or more of the conditions in Condition 6.7 (as applicable) are not met,

such failure to pay shall not constitute a default for any purpose (including, but without limitation, Condition 18 or Condition 19, as applicable) on the part of the Issuer or (where the Issuer is PFA) the Guarantor.

6.10 Solvency Claims

- (a) Without prejudice to the rest of these Conditions, amounts representing payments of any amount under or arising from the Notes, any relative Coupons and the Trust Deed relating to them in respect of which the Issuer or (where the Issuer is PFA) the Guarantor does not satisfy due to the operation of Condition 6.2, Condition 6.3, Condition 6.4, or Condition 6.5 (as applicable) will be payable by the Issuer or (where the Issuer is PFA) the Guarantor (as applicable) in a winding-up of the Issuer or (where the Issuer is PFA) the Guarantor as provided in Condition 6.8.
- (b) A Solvency Claim shall not bear interest, except in the limited circumstances referred to in Condition 6.8.

6.11 Set-off and counterclaim

- (a) This Condition 6.11 is applicable to the Notes only if Set-off Waiver is specified as applicable in the Final Terms.
- (b) By acceptance of the Notes, each Holder of the Notes and the Trustee, on behalf of such Holders, will be deemed to have waived any right of set-off or counterclaim that such Holders might otherwise have against the Issuer or (where the Issuer is PFA) the Guarantor whether prior to or in bankruptcy or winding-up. Notwithstanding the preceding sentence, if any of the rights and claims of any Holder of the Notes are discharged by set-off, such Holder will immediately pay an amount equal to the amount of the rights and claims so discharged to the Issuer or (where the Issuer is PFA) the Guarantor (as applicable) or, if applicable, the liquidator or the Trustee and, until payment is made, will hold a sum equal to such amount on trust for the Issuer or (where the Issuer is PFA) the Guarantor (as applicable) or, if applicable, the liquidator or the Trustee in the Issuer's or

(where the Issuer is PFA) the Guarantor's (as applicable) winding-up. Accordingly, such discharge will be deemed not to have taken place.

7. Deferral of Interest Payments – Issuer Discretion

- (a) This Condition 7 is applicable to the Notes only if Optional Interest Deferral is specified as applicable in the Final Terms.
- (b) The Issuer may, by giving notice thereof to the Trustee and the Issue and Paying Agent in writing and to the Holders of the Notes in accordance with Condition 23 not more than 16 nor less than two Business Days prior to the relevant Interest Payment Date, elect to defer interest payments on the Notes:
 - (i) where Dividend and Capital Restriction is specified as not applicable in the Final Terms, on any Interest Payment Date; and
 - (ii) where Dividend and Capital Restriction is specified as applicable in the Final Terms, on any Interest Payment Date which is not a Compulsory Interest Payment Date,

provided that the Issuer may not give such notice if, at the time such notice is proposed to be given, a Regulatory Event has occurred and has been subsisting at such time for a continuous period of 180 days or more. For the purposes of this paragraph (b) of Condition 7, the Trustee shall be entitled to accept a certificate, signed by two Directors of the Issuer, stating that no Regulatory Event has occurred and has been subsisting at such time for a continuous period of 180 days or more as sufficient evidence thereof, in which event it shall be conclusive and binding on the Holders.

- (c) Notwithstanding any other provision in these Conditions or the Trust Deed, any payment which for the time being is not made on the Notes by virtue of this Condition 7 shall not constitute a default for any purpose (including, but without limitation, Condition 18 or Condition 19 to the extent applicable) on the part of the Issuer.

8. Cancellation of Interest Payments

8.1 Issuer Discretion

- (a) This Condition 8.1 is applicable to the Notes only if Optional Interest Cancellation is specified as applicable in the Final Terms.
- (b) Interest on the Notes is due and payable only at the sole and absolute discretion of the Issuer or (where the Issuer is PFA) the Guarantor (as applicable) and the operation of this Condition 8.1. Accordingly, the Issuer or (where the Issuer is PFA) the Guarantor may at any time elect to cancel any interest payment (or any part thereof), including, without limitation, interest payments deferred pursuant to Condition 7 (if any), which would otherwise be due and payable on any Interest Payment Date.

- (c) Notwithstanding any other provision in these Conditions or the Trust Deed, any payment which for the time being is not made on the Notes by virtue of this Condition 8.1 shall not constitute a default for any purpose (including, but without limitation, Condition 18 or Condition 19 to the extent applicable) on the part of the Issuer.
- (d) If the Issuer or (where the Issuer is PFA) the Guarantor does not make an interest payment (or any part thereof) on the relevant Interest Payment Date and the Issuer or (where the Issuer is PFA) the Guarantor does not otherwise notify the Holders, such non-payment shall be sufficient evidence that the non-payment and cancellation of such interest payment (or relevant part thereof) was by reason of the exercise of the Issuer's discretion pursuant to this Condition 8.1 and accordingly such interest payment shall not:
 - (i) become due at any time thereafter;
 - (ii) accumulate or be payable at any time thereafter; or
 - (iii) constitute Arrears of Interest,

and Holders shall have no rights in respect thereof (whether in a winding-up of the Issuer or (where the Issuer is PFA) the Guarantor or otherwise).
- (e) The Issuer or (where the Issuer is PFA) the Guarantor shall provide notice of any cancellation of any interest payment pursuant to this Condition 8.1 to Holders in accordance with Condition 23 not less than two Business Days prior to the relevant Interest Payment Date.

8.2 Mandatory

- (a) This Condition 8.2 is applicable to the Notes only if Mandatory Interest Cancellation is specified as applicable in the Final Terms.
- (b) The Issuer or (where the Issuer is PFA) the Guarantor shall cancel any interest payment (or any part thereof), including, without limitation, interest payments deferred pursuant to Condition 7 (if any), which would otherwise be due and payable on any Interest Payment Date to the extent that the Issuer or (where the Issuer is PFA) the Guarantor has insufficient distributable items (including, without limitation, retained earnings) available to make such interest payment (or, as appropriate, part thereof) out of such distributable items to the extent required by the Capital Regulations applicable in relation to Tier 1 Capital.
- (c) Notwithstanding any other provision in these Conditions or the Trust Deed, any payment which for the time being is not made on the Notes by virtue of this Condition 8.2 shall not constitute a default for any purpose (including, but without limitation, Condition 18 or Condition 19 to the extent applicable) on the part of the Issuer.

- (d) If the Issuer or (where the Issuer is PFA) the Guarantor does not make an interest payment (or any part thereof) on the relevant Interest Payment Date and the Issuer or (where the Issuer is PFA) the Guarantor does not otherwise notify the Holders, such non-payment shall be sufficient evidence that the non-payment and cancellation of such interest payment (or relevant part thereof) was by reason of cancellation pursuant to this Condition 8.2 and accordingly such interest payment shall not:
 - (i) become due at any time thereafter;
 - (ii) accumulate or be payable at any time thereafter; or
 - (iii) constitute Arrears of Interest,and Holders shall have no rights in respect thereof (whether in a winding-up of the Issuer or (where the Issuer is PFA) the Guarantor or otherwise).
- (e) The Issuer or (where the Issuer is PFA) the Guarantor shall provide notice of any cancellation of any interest payment pursuant to this Condition 8.2 to Holders in accordance with Condition 23 not less than two Business Days prior to the relevant Interest Payment Date.

9. Fixed Rate Note Provisions

9.1 Application

This Condition 9 is applicable to the Notes only if the Fixed Rate Note Provisions are specified as applicable in the Final Terms.

9.2 Accrual of interest

- (a) Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) (as specified in the Final Terms).
- (b) Each Fixed Rate Note (or, in the case of the redemption of part only of a Fixed Rate Note, that part only of such Fixed Rate Note) will cease to bear interest (if any) from the due date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

9.3 Fixed Coupon Amount

If the Notes are in definitive form, except as provided in the Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payment of any Broken Amount will be made on the Interest Payment Date so specified in the Final Terms.

9.4 Calculation of interest amount

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note; or
- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Fixed Rate Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

10. Reset Note Provisions

10.1 Application

This Condition 10 is applicable to the Notes only if the Reset Note Provisions are specified as applicable in the Final Terms.

10.2 Accrual of interest

- (a) Each Reset Note bears interest:
 - (i) in respect of the period from (and including) the Interest Commencement Date to (but excluding) the Reset Date (or, if there is more than one Reset Period, the first Reset Date occurring after the Interest Commencement Date), at the rate per annum equal to the Initial Rate of Interest; and
 - (ii) in respect of the Reset Period (or, if there is more than one Reset Period, each successive Reset Period thereafter), at such rate per annum as is equal to the relevant Subsequent Reset Rate, as determined by the Issue and Paying Agent on the relevant Reset Determination Date in accordance with this Condition 9,

payable, in each case, in arrear on the Interest Payment Dates(s) (as specified in the Final Terms).

- (b) The Issue and Paying Agent will calculate the Interest Amount payable on the Reset Notes for the relevant period by applying the Initial Rate of Interest or the applicable Subsequent Reset Rate (as the case may be) to:

(i) in the case of Reset Notes that are represented by a Global Note, the aggregate outstanding nominal amount of the Reset Notes represented by such Global Note; or

(ii) in the case of Reset Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Reset Note in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Reset Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

(c) Each Reset Note (or, in the case of the redemption of part only of a Reset Note, that part only of such Reset Note) will cease to bear interest (if any) from the due date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

10.3 Subsequent Reset Rate Screen Page

(a) If on any Reset Determination Date the Subsequent Reset Rate Screen Page is not available, the Issuer (or an agent appointed by the Issuer) shall request each of the Reference Banks to provide the Issuer (or an agent appointed by the Issuer) with its offered quotation (expressed as a percentage rate per annum) for the Subsequent Reset Reference Rate at approximately the Subsequent Reset Rate Time on the Reset Determination Date in question and the Issuer (or an agent appointed by the Issuer) shall notify the Issue and Paying Agent of all quotations received by it.

(b) If two or more of the Reference Banks provide the Issuer (or an agent appointed by the Issuer) with offered quotations, the Subsequent Reset Rate for the relevant Reset Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the applicable Reset Margin (if any), all as determined by the Issue and Paying Agent.

(c) If on any Reset Determination Date only one or none of the Reference Banks provides the Issuer (or an agent appointed by the Issuer) with an offered quotation as provided in the foregoing provisions of this Condition 10.3, the Subsequent Reset Rate shall be determined as at the last preceding Reset Determination Date or, in the case of the first Reset Determination Date, the Subsequent Reset Rate shall be the Initial Rate of Interest.

10.4 Mid Swap Rate Replacement

If:

- (1) Mid Swap Rate Replacement is specified as applicable in the Final Terms; and
- (2) notwithstanding the provisions of Condition 10.3 above, a Benchmark Event occurs in relation to any Mid Swap Rate specified in the Final Terms when any Rate of Interest (or component thereof) remains to be determined by reference to such Mid Swap Rate (as applicable),

then the following provisions shall apply to the relevant Series of Notes:

- (a) The Issuer shall use reasonable endeavours to appoint an Independent Adviser, at the Issuer's own expense, to determine an Alternative Mid Swap Rate (as defined below) and such other adjustments (which may equal zero) as referred to in this Condition 10.4 (in each case acting in good faith and in a commercially reasonable manner) for the purposes of determining the Mid Swap Rate for all future Reset Periods (subject to the subsequent operation of this Condition 10.4 during any other future Reset Period(s)).
- (b) Subject to paragraph (c) of this Condition 10.4, if:
 - (i) the relevant Independent Adviser (acting in good faith and in a commercially reasonable manner) determines no later than five Business Days prior to the Reset Determination Date relating to the next Reset Period (the "IA Mid Swap Determination Cut-off Date") that another rate (the "Alternative Mid Swap Rate") (x) has been formally published, endorsed, approved, recommended or recognised as a successor or replacement to the relevant Mid Swap Rate by any Relevant Nominating Body or (y) (if such Independent Adviser fails to determine a rate as described in (x) above) is customarily applied in international debt capital markets transactions for setting rates comparable to the Mid Swap Rate; or
 - (ii) the Issuer is unable to appoint an Independent Adviser, or the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 10.4 above fails to determine an Alternative Mid Swap Rate prior to the relevant IA Mid Swap Determination Cut-off Date, the Issuer (acting in good faith and in a commercially reasonable manner) determines no later than three Business Days prior to the Reset Determination Date relating to the next Reset Period (the "Issuer Mid Swap Determination Cut-off Date") that an Alternative Mid Swap Rate (x) has been formally published, endorsed, approved, recommended or recognised as a successor or replacement to the relevant Mid Swap Rate by any Relevant Nominating Body or (y) (if the Issuer fails to determine a rate as described in (x) above) is customarily applied in international debt capital markets transactions for setting rates comparable to the Mid Swap Rate,

then the Mid Swap Rate for all future Reset Periods (subject to the subsequent operation of this Condition 10.4 during any other future Reset Period(s)) shall be the arithmetic mean of bid and offered rates determined as provided in these Conditions but as if references therein to the Mid Swap Rate, as applicable, were references to the Alternative Mid Swap Rate and with such adjustments (which may equal zero) as are (in the sole determination of such Independent Adviser or the Issuer (as applicable) acting in good faith and in a commercially reasonable manner) necessary to take account of the adjustment factor to make such rates comparable to rates quoted on the basis of the Mid Swap Rate being replaced by operation of this Condition 10.4.

Without prejudice to the definition thereof, for the purposes of determining an Alternative Mid Swap Rate and/or applicable adjustments thereto (which may equal zero), the Issuer will take into account relevant and applicable market precedents as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets and such other materials as the Issuer, in its sole discretion, considers appropriate.

- (c) Notwithstanding Condition 10.3 above, if:
- (i) the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 10.4 notifies the Issuer prior to the IA Mid Swap Determination Cut-off Date that it has determined that no rate is customarily applied in international debt capital markets transactions for setting rates comparable to the Mid Swap Rate or that it has been unable to determine the adjustments (which may equal zero) applying to any Alternative Mid Swap Rate; or
 - (ii) the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 10.4 fails to determine an Alternative Mid Swap Rate, together with the adjustments (which may equal zero) applying to such Alternative Mid Swap Rate, prior to the relevant IA Mid Swap Determination Cut-off Date, without notifying the Issuer as contemplated in sub-paragraph (c)(i) of this Condition 10.4, and the Issuer (acting in good faith and in a commercially reasonable manner) determines prior to the Issuer Mid Swap Determination Cut-off Date that no rate is customarily applied in international debt capital markets transactions for setting rates comparable to the Mid Swap Rate or, that it has been unable to determine the adjustments (which may equal zero) applying to any Alternative Mid Swap Rate,

and, in either case, an Alternative Mid Swap Rate, together with the adjustments (which may equal zero) applying to such Alternative Mid Swap Rate, is not otherwise determined in accordance with paragraph (b) of this Condition 10.4 prior to the Issuer Mid Swap Determination Cut-off Date, the Subsequent Reset Rate shall be determined as at the last preceding Reset Determination Date or, in the case of the first Reset Determination Date, the Subsequent Reset Rate shall be the Initial Rate of Interest (though substituting, where a different Margin

is to be applied to the relevant Reset Period from that which applied to the last preceding Reset Period, the Margin relating to the relevant Reset Period in place of the Margin relating to that last preceding Reset Period).

This paragraph (c) shall apply to the relevant Reset Period only. Any subsequent Reset Period(s) shall be subject to the operation of this Condition 10.4.

- (d) Promptly following the determination of any Alternative Mid Swap Rate as described in this Condition 10.4, the Issuer shall give notice that a Benchmark Event has occurred, including detailing the Alternative Mid Swap Rate and the adjustments (which may equal zero) (and the effective date(s) thereof), pursuant to this Condition 10.4 to the Trustee, the Issue and Paying Agent and the Holders.
- (e) The Trustee and the Issue and Paying Agent shall, at the direction and expense of the Issuer, effect such waivers and consequential amendments to the Trust Deed, the Agency Agreement, these Conditions and any other document as the relevant Independent Adviser or the Issuer (as applicable) determines may be required to give effect to any application of this Condition 10.4. Prior to any such waivers and/or consequential amendments taking effect, the Issuer shall provide a certificate signed by two Directors of the Issuer to the Trustee and the Issue and Paying Agent that such waivers and/or consequential amendments are required to give effect to any application of this Condition 10.4 and the Trustee and the Issue and Paying Agent shall be entitled to rely on such certificate without further enquiry or liability to any person. For the avoidance of doubt, the Trustee shall not be liable to the Holders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. Such changes shall apply to the Notes for all future Reset Periods (subject to the subsequent operation of this Condition 10.4). No consent of the Holders shall be required in connection with effecting the relevant Alternative Mid Swap Rate as described in this Condition 10.4 or such other relevant adjustments pursuant to this Condition 10.4, including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

Notwithstanding the foregoing, the Trustee shall not be obliged to agree to any modification if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or the protective provisions afforded to the Trustee in these Conditions or the Trust Deed.

Where the Final Terms specify Regulatory Capital Qualification as applicable, notwithstanding any other provision of this Condition 10.4 no Alternative Mid Swap Rate will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 10.4, if and to the extent that, in the sole determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as Tier 1 Capital or Tier 2 Capital (as applicable) of the Issuer or of the Supervised Group.

10.5 Notification of Subsequent Reset Rate and Interest Amounts

The Issue and Paying Agent will cause the Subsequent Reset Rate and each Interest Amount for each Reset Period to be notified to the Issuer and the Trustee and any stock exchange or other relevant authority on which the relevant Reset Notes are for the time being listed or by which they have been admitted to listing and notice thereof to be published in accordance with Condition 23 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter.

10.6 Determination or calculation on default

If for any reason at any relevant time, the Issue and Paying Agent defaults in its obligation to determine the Subsequent Reset Rate or to calculate any Interest Amount in accordance with Condition 10.2 or 10.3, the Issuer shall determine the Subsequent Reset Rate at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition 10), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Issuer shall calculate the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances. In making any such determination or calculation, the Issuer may appoint and rely on a determination or calculation by a calculation agent (which shall be an investment bank or other suitable entity of international repute). Each such determination or calculation shall be deemed to have been made by the Issue and Paying Agent.

10.7 Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 10, whether by the Issuer, Issue and Paying Agent or (in the context of Condition 10.4 only) an Independent Adviser, shall (in the absence of manifest error) be binding on the Issuer, (where the Issuer is PFA) the Guarantor, the Issue and Paying Agent, the other Paying Agents, the Trustee and all Holders and (in the absence of wilful default and bad faith) no liability to the Issuer, (where the Issuer is PFA) the Guarantor or the Holders or any other person shall attach to the Issue and Paying Agent or (in the context of Condition 10.4 only) an Independent Adviser in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

11. Floating Rate Note Provisions

11.1 Application

This Condition 11 is applicable to the Notes only if the Floating Rate Note Provisions are specified as applicable in the Final Terms.

11.2 Accrual of interest

- (a) Each Floating Rate Note bears interest from (and including) the Interest Commencement Date at the Rate of Interest and such interest will be payable in arrear on each Interest Payment Date. Such interest will be payable in respect of each Interest Period.

- (b) Each Floating Rate Note (or, in the case of the redemption of part only of a Floating Rate Note, that part only of such Floating Rate Note) will cease to bear interest (if any) from the due date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

11.3 ISDA Determination

- (a) Where ISDA Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate (as defined below) plus or minus (as indicated in the Final Terms) the Margin (if any).
- (b) The “ISDA Rate” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Issue and Paying Agent under an interest rate swap transaction if the Issue and Paying Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
 - (i) the Floating Rate Option is as specified in the Final Terms;
 - (ii) the Designated Maturity is a period specified in the Final Terms; and
 - (iii) the relevant Reset Date is the day specified in the Final Terms.
- (c) In this Condition 11.3, the expressions “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions.
- (d) Notwithstanding anything included in the ISDA Definitions, prospectus or final terms for any series of Notes to the contrary, the Issuer agrees that the Issue and Paying Agent or Citibank, N.A., London Branch (in its capacity as Calculation Agent, if so appointed) will have no obligation to exercise any discretion (including, but not limited to, determinations of alternative or substitute benchmarks, successor reference rates, screen pages, interest adjustment factors/fractions or spreads, market disruptions, benchmark amendment conforming changes, selection and polling of reference banks), and to the extent the Transaction Documents for any series of Notes requires the Calculation Agent to exercise any such discretions and/or make such determinations, such references shall be construed as the Issuer (or an agent appointed by the Issuer) exercising such discretions and/or determinations and/or actions and not the Calculation Agent.

11.4 Screen Rate Determination

- (a) Where Screen Rate Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, and unless Condition 11.5, 11.6, 11.7, 11.8, 11.9 or 11.10 applies, the Rate of Interest for each Interest Period will, subject as provided below, be either:

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Relevant Time on the Interest Determination Date in question plus or minus (as indicated in the Final Terms) the Margin (if any), all as determined by the Issue and Paying Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Issue and Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

- (b) If the Relevant Screen Page is not available or if, in the case of Condition 11.4(a)(i) above, no offered quotation appears or, in the case of Condition 11.4(a)(ii) above, fewer than three offered quotations appear, in each case as at the Relevant Time, the Issuer (or an agent appointed by the Issuer) shall request each of the Reference Banks to provide the Issuer (or an agent appointed by the Issuer) with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Relevant Time on the Interest Determination Date in question and the Issuer (or an agent appointed by the Issuer) shall notify the Issue and Paying Agent of all quotations received by it. - (c) If on any Interest Determination Date one only or none of the Reference Banks provides the Issuer (or an agent appointed by the Issuer) with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Issue and Paying Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Issuer (or an agent appointed by the Issuer) by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Relevant Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or if the Reference Rate is other than EURIBOR, the inter-bank market of the Relevant Financial Centre plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Issuer (or an agent appointed by the Issuer) with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference

Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Relevant Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Issuer (or an agent appointed by the Issuer) it is quoting to leading banks in the Euro-zone interbank market (if the Reference Rate is EURIBOR) or if the Reference Rate is other than EURIBOR, the inter-bank market of the Relevant Financial Centre plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

- (c) If the Notes become due and payable in accordance with Condition 18, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the Final Terms, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on the Notes shall, for so long as any of the Notes remain outstanding, be that determined on such date.

 - (ii) the mean of the spread of the SONIA reference rate to the Bank of England Base Rate over the previous five days on which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads).
- (c) Subject to the provisions of Condition 11.11, if the Rate of Interest cannot be determined in accordance with paragraphs (a) and (b) of this Condition 11 by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the Final Terms), the Rate of Interest shall be:
 - (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Period); or

11.8 CMS Linked Interest Notes

- (a) Where the Reference Rate is specified as being the CMS Reference Rate, the Rate of Interest for each Interest Period will be calculated by the Calculation Agent and shall be equal to the sum of the CMS Rate plus the Margin, determined by reference to the Relevant Screen Page.

- (c) If on any Interest Determination Date one only or none of the Reference Banks provides the Issuer (or an agent appointed by the Issuer) with such quotations as provided in the preceding paragraph, the CMS Rate shall be determined by the Issuer in its sole and absolute discretion on a commercial basis as it shall consider appropriate and in accordance with standard market practice.

then the following provisions shall apply to the relevant Series of Notes:

- (a) The Issuer shall use reasonable endeavours to appoint an Independent Adviser, at the Issuer's own expense, to determine a Successor Reference Rate or, if such Independent Adviser is unable so to determine a Successor Reference Rate, an Alternative Reference Rate and, in each case, an Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) for the purposes of determining the Rate of Interest applicable to the Notes for all future Interest Periods (subject to the subsequent operation of this Condition 11.11 during any other future Interest Period(s)).
- (b) Subject to paragraph (c) of this Condition 11.11, if:
 - (i) the relevant Independent Adviser (acting in good faith and in a commercially reasonable manner), no later than five Business Days prior to the Interest Determination Date relating to the next Interest Period (the "IA Determination Cut-off Date"), determines a Successor Reference Rate or, if such Independent Adviser fails so to determine a Successor Reference Rate, an Alternative Reference Rate and, in each case, an Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) for the purposes of determining the Rate of Interest (or component thereof) applicable to the Notes for all future Interest Periods (subject to the subsequent operation of this Condition 11.11 during any other future Interest Period(s)); or
 - (ii) the Issuer is unable to appoint an Independent Adviser, or the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 11.11 fails to determine a Successor Reference Rate or an Alternative Reference Rate prior to the relevant IA Determination Cut-off Date, the Issuer (acting in good faith and in a commercially reasonable manner), no later than three Business Days prior to the Interest Determination Date relating to the next Interest Period (the "Issuer Determination Cut-off Date"), determines a Successor Reference Rate or, if the Issuer fails so to determine a Successor Reference Rate, an Alternative Reference Rate (as applicable) and, in each case, an Adjustment Spread (in any such case, acting in good faith and in a commercially reasonable manner) for the purposes of determining the Rate of Interest (or component thereof) applicable to the Notes for all future Interest Periods (subject to the subsequent operation of this Condition 11.11 during any other future Interest Period(s)),

then:

- (A) such Successor Reference Rate or Alternative Reference Rate (as applicable) shall be used in place of the Original Reference Rate for all future Interest Periods (subject to the subsequent operation of this Condition 11.11 during any other future Interest Period(s)).
- (B) Without prejudice to the definitions thereof, for the purposes of determining an Alternative Reference Rate, the Issuer will take into account relevant and applicable market precedents as well as any

published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets and such other materials as the Issuer, in its sole discretion, considers appropriate; and

- (C) if the relevant Independent Adviser or the Issuer (as applicable) determines an Adjustment Spread, then such Adjustment Spread shall be applied to such Successor Reference Rate or Alternative Reference Rate (as applicable) for all future Interest Periods (subject to the subsequent operation of this Condition 11.11).

- (c) Notwithstanding any other provision of paragraph (b) of Condition 11.4 above, if:

- (i) the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 11.11 notifies the Issuer prior to the IA Determination Cut-off Date that it has determined that no Successor Reference Rate or Alternative Reference Rate exists or, in either case, that it is unable to determine the applicable Adjustment Spread; or
- (ii) the Independent Adviser appointed by the Issuer in accordance with paragraph (a) of this Condition 11.11 fails to determine a Successor Reference Rate or an Alternative Reference Rate and, in either case, the applicable Adjustment Spread, prior to the relevant IA Determination Cut-off Date, without notifying the Issuer as contemplated in sub-paragraph (c)(i) of this Condition 11.11, and the Issuer (acting in good faith and in a commercially reasonable manner) determines prior to the Issuer Determination Cut-off Date that no Successor Reference Rate or Alternative Reference Rate exists or, in either case, that it is unable to determine the applicable Adjustment Spread,

and, in either case, neither a Successor Reference Rate nor an Alternative Reference Rate, in each case, together with the applicable Adjustment Spread, is otherwise determined in accordance with paragraph (b) of this Condition 11.11 prior to the Issuer Determination Cut-off Date, the relevant Rate of Interest shall be determined as at the last preceding Interest Determination Date or, in the case of the first Interest Determination Date, the Rate of Interest shall be the Initial Rate of Interest (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Period).

This paragraph (c) shall apply to the relevant Interest Period only. Any subsequent Interest Period(s) shall be subject to the operation of this Condition 11.11.

- (d) Promptly following the occurrence of a Benchmark Event and the determination of any Successor Reference Rate or Alternative Reference Rate (as applicable)

and, in either case, an Adjustment Spread, as described in this Condition 11.11, the Issuer shall give notice that a Benchmark Event has occurred, including detailing the Successor Reference Rate or Alternative Reference Rate (as applicable) and of the Adjustment Spread (and the effective date(s) thereof), pursuant to this Condition 11.11 to the Trustee, the Issue and Paying Agent and the Holders.

- (e) The Trustee and the Issue and Paying Agent shall, at the direction and expense of the Issuer, effect such waivers and consequential amendments to the Trust Deed, the Agency Agreement, these Conditions and any other document as may be required to give effect to any application of this Condition 11.11, including, but not limited to:
 - (i) changes to these Conditions which the relevant Independent Adviser or the Issuer (as applicable) determines may be required in order to follow market practice (determined according to factors including, but not limited to, public statements, opinions and publications of industry bodies and organisations) in relation to such Successor Reference Rate or Alternative Reference Rate (as applicable), including, but not limited to (A) the relevant Business Centre(s), Business Day, Business Day Convention, Day Count Fraction, Interest Determination Date, Reference Banks, Relevant Financial Centre, Relevant Screen Page and/or Relevant Time applicable to the Notes; and (B) the method for determining the fallback to the Rate of Interest in relation to the Notes if such Successor Reference Rate or Alternative Reference Rate (as applicable) is not available; and
 - (ii) any other changes which the relevant Independent Adviser or the Issuer (as applicable) determines are reasonably necessary to ensure the proper operation and comparability to the Reference Rate of such Successor Reference Rate or Alternative Reference Rate (as applicable).

Prior to any such waivers and/or consequential amendments taking effect, the Issuer shall provide a certificate signed by two Directors of the Issuer to the Trustee and the Issue and Paying Agent that such waivers and/or consequential amendments are required to give effect to any application of this Condition 11.11 and the Trustee and the Issue and Paying Agent shall be entitled to rely on such certificate without further enquiry or liability to any person. For the avoidance of doubt, the Trustee shall not be liable to the Holders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. Such changes shall apply to the Notes for all future Interest Periods (subject to the subsequent operation of this Condition 11.11).

The Trustee shall not be obliged to agree to any modification if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or the protective provisions afforded to the Trustee in these Conditions or the Trust Deed.

No consent of the Holders shall be required in connection with effecting the relevant Successor Reference Rate or Alternative Reference Rate as described in this Condition 11.11 or such other relevant adjustments pursuant to this Condition 11.11, or the Adjustment Spread, including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

- (f) Where the Final Terms specify Regulatory Capital Qualification as applicable, notwithstanding any other provision of this Condition 11.11 no Successor Reference Rate or Alternative Reference Rate will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 11.11, if and to the extent that, in the sole determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as Tier 1 Capital or Tier 2 Capital (as applicable) of the Issuer or of the Supervised Group.

11.12 Minimum Rate of Interest and/or Maximum Rate of Interest

- (a) If the Final Terms specify a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of this Condition 10 is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.
- (b) If the Final Terms specify a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of this Condition 10 is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

11.13 Determination of Rate of Interest

The Issue and Paying Agent or, in the case of Floating Rate Notes which are €STR Linked Interest Notes, SONIA Linked Interest Notes, Federal Funds Rate Linked Interest Notes, CMS Linked Interest Notes, Compounded Daily SOFR Linked Interest Notes or Weighted Average SOFR Linked Interest Notes, the Calculation Agent, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Floating Rate Notes which are €STR Linked Interest Notes, SONIA Linked Interest Notes, Federal Funds Rate Linked Interest Notes, CMS Linked Interest Notes, Compounded Daily SOFR Linked Interest Notes or Weighted Average SOFR Linked Interest Notes, the Calculation Agent will notify the Issue and Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

Calculation Agent, will calculate the Interest Amount payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (i) in the case of Floating Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (ii) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

- (b) Where the Specified Denomination of a Floating Rate Note in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

11.15 Linear Interpolation

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Issue and Paying Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Issue and Paying Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

11.16 Notification of Rate of Interest and Interest Amounts

- (a) The Issue and Paying Agent or, in the case of Floating Rate Notes which are €STR Linked Interest Notes, SONIA Linked Interest Notes, Federal Funds Rate Linked Interest Notes, CMS Linked Interest Notes, Compounded Daily SOFR Linked Interest Notes or Weighted Average SOFR Linked Interest Notes, the Calculation Agent, will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and the Trustee and any stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to listing and notice thereof to be published in accordance with Condition 23 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter.

- (b) Each Interest Amount and Interest Payment Date notified in accordance with paragraph (a) of this Condition 11.16 may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to listing and to the Holders in accordance with Condition 23.

11.17 Determination or calculation on default

If for any reason at any relevant time the Issue and Paying Agent or, as the case may be, the Calculation Agent defaults in its obligation to determine the Rate of Interest or to calculate any Interest Amount in accordance with this Condition 11, the Issuer shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition 11, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the Final Terms), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Issuer shall calculate the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances. In making any such determination or calculation, the Issuer may appoint and rely on a determination or calculation by a calculation agent (which shall be an investment bank or other suitable entity of international repute). Each such determination or calculation shall be deemed to have been made by the Issue and Paying Agent or the Calculation Agent, as applicable.

11.18 Certificates to be final

18.1 Issuer Events of Default

- (a) No remedy shall be available to the Trustee or any Holder against the Issuer, whether for the recovery of amounts owing in respect of the Notes, the Coupons or under the Trust Deed relating to them or arising therefrom or in respect of any breach by the Issuer of any of its other obligations under or in respect of the

Notes, the Coupons or under the Trust Deed relating to them or arising therefrom, save that:

- (i) without prejudice to Condition 18.2(a), if:
 - (A) the Issuer or (where the Issuer is PFA) the Guarantor fails to pay the amount due to satisfy any interest payment which has not been deferred, and such failure continues for 14 days; or
 - (B) the Issuer or (where the Issuer is PFA) the Guarantor fails to pay the principal amount of the Notes, any accrued but unpaid interest or, if applicable, any Arrears of Interest on a Redemption Date, as may be postponed from time to time pursuant to these Conditions, and such failure continues for 14 days;

and such event is continuing, the Trustee may, notwithstanding the provisions of sub-paragraph (a)(iii) of this Condition 18.1, institute proceedings for the winding-up in England and Wales (but not elsewhere) of the Issuer and/or prove in the winding-up of the Issuer and/or claim in the liquidation of the Issuer for such payment;

- (ii) if an order is made by any competent court or resolution passed for the winding-up or dissolution of the Issuer, save for the purposes of a reconstruction or amalgamation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the Holders of the Notes, the Trustee may, subject as provided below, give notice to the Issuer and (where the Issuer is PFA) the Guarantor that the Notes are, and they shall accordingly forthwith become, immediately due and repayable at an amount equal to their principal amount outstanding together with, if applicable, any Arrears of Interest and any accrued interest as provided in the Trust Deed; and
- (iii) without prejudice to the provisions of sub-paragraph (a)(i) of this Condition 18.1, the Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the Trust Deed, the Notes or the Coupons (other than any payment obligation of the Issuer relating to or arising from the Notes, the Coupons or the Trust Deed relating to them or arising therefrom) provided that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it. Nothing in this sub-paragraph (a)(iii) shall, however, prevent the Trustee instituting proceedings for the winding-up of the Issuer, proving in any winding-up of the Issuer and/or claiming in any liquidation of the Issuer in respect of any payment obligations of the Issuer arising from or under the Notes, the Coupons or the Trust Deed (including any damages awarded for breach of any obligations).

- (b) The Trustee shall not be bound to take any of the actions referred to in paragraph (a) of this Condition 18.1 against the Issuer to enforce the terms of the Trust Deed, the relevant Notes or the relevant Coupons or to take any other action under the Trust Deed unless:
 - (i) it shall have been so requested by an Extraordinary Resolution of the Holders or in writing by the holders of at least one-quarter in principal amount of the Notes then outstanding; and
 - (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction in accordance with Clause 11 of the Trust Deed.
- (c) No Holder shall be entitled to proceed directly against the Issuer or to institute proceedings for the winding-up in England and Wales of the Issuer or claim in the liquidation of the Issuer or to prove in such winding-up unless the Trustee, having become so bound to proceed or being able to prove in such winding-up or claim in such liquidation, fails to do so within 60 days and such failure is continuing, in which case a Holder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise as set out in this Condition 18.1.
- (d) Notwithstanding any other provisions of these Conditions, the right to institute winding-up proceedings in respect of the Issuer is limited to circumstances where payment of amounts owing in respect of the Notes, the Coupons or under the Trust Deed relating to them or arising therefrom or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Notes, the Coupons or under the Trust Deed relating to them or arising therefrom, has become due.

- (f) The Trust Deed contains provisions entitling the Trustee to claim from the Issuer, *inter alia*, its fees and remuneration and the expenses and liabilities incurred by it in carrying out its duties under the Trust Deed. The provisions as to subordination and the restrictions on commencing proceedings described above will not apply to any such claims.

18.2 Guarantor Events of Default

- (a) No remedy shall be available to the Trustee or any Holder against the Guarantor, whether for the recovery of amounts owing in respect of the Notes, the Coupons or under the Trust Deed relating to them or arising therefrom or in respect of any breach by the Guarantor of any of its other obligations under or in respect of the Notes, the Coupons or under the Trust Deed relating to them or arising therefrom, save that:
 - (i) if the Guarantor fails to pay any amount due under the Guarantee, and such failure continues for 14 days, and such event is continuing, the Trustee may, notwithstanding the provisions of sub-paragraph (a)(iii) of this Condition 18.2, institute proceedings for the winding-up in England and Wales (but not elsewhere) of the Guarantor and/or prove in the winding-up of the Guarantor and/or claim in the liquidation of the Guarantor for such payment;
 - (ii) if an order is made by any competent court or resolution passed for the winding-up or dissolution of the Guarantor, save for the purposes of a reconstruction or amalgamation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the Holders of the Notes, the Trustee may, subject as provided below, give notice to PFA and the Guarantor that the Notes are, and they shall accordingly forthwith become, immediately due and repayable at an amount equal to their principal amount outstanding together with, if applicable, any Arrears of Interest and any accrued interest as provided in the Trust Deed; and
 - (iii) without prejudice to the provisions of sub-paragraph (a)(i) of this Condition 18.2, the Trustee may at its discretion and without further notice institute such proceedings against the Guarantor as it may think fit to enforce any term or condition binding on the Guarantor under the Trust Deed, the Notes or the Coupons (other than any payment obligation of the Issuer relating to or arising from the Notes, the Coupons or the Trust Deed relating to them or arising therefrom) provided that the Guarantor shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it. Nothing in this sub-paragraph (a)(iii) shall, however, prevent the Trustee instituting proceedings for the winding-up of the Guarantor, proving in any winding-up of the Guarantor and/or claiming in any liquidation of the Guarantor in respect of any payment obligations of the Guarantor arising from or under the Notes, the Coupons or the Trust Deed (including any damages awarded for breach of any obligations).
- (b) The Trustee shall not be bound to take any of the actions referred to in paragraph (a) of this Condition 18.2 against the Guarantor to enforce the terms of the Trust Deed, the relevant Notes or the relevant Coupons or to take any other action under the Trust Deed unless:

- (i) it shall have been so requested by an Extraordinary Resolution of the Holders or in writing by the holders of at least one-quarter in principal amount of the Notes then outstanding; and
 - (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction in accordance with Clause 11 of the Trust Deed.
- (c) No Holder of Notes shall be entitled to proceed directly against the Guarantor or to institute proceedings for the winding-up in England and Wales of the Guarantor or claim in the liquidation of the Guarantor or to prove in such winding-up unless the Trustee, having become so bound to proceed or being able to prove in such winding-up or claim in such liquidation, fails to do so within 60 days and such failure is continuing, in which case a Holder of Notes shall have only such rights against the Guarantor as those which the Trustee is entitled to exercise as set out in this Condition 18.2.
- (d) Notwithstanding any other provisions of these Conditions, the right to institute winding-up proceedings in respect of the Guarantor is limited to circumstances where payment of amounts owing in respect of the Notes, the Coupons or under the Trust Deed relating to them or arising therefrom or in respect of any breach by the Guarantor of any of its other obligations under or in respect of the Notes, the Coupons or under the Trust Deed relating to them or arising therefrom, has become due.
- (e) The Trust Deed contains provisions entitling the Trustee to claim from the Guarantor, *inter alia*, its fees and remuneration and the expenses and liabilities incurred by it in carrying out its duties under the Trust Deed with respect to the Notes. The provisions as to subordination and the restrictions on commencing proceedings described above will not apply to any such claims.

Payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will only be made to the bearer hereof to the extent that there is presented to the Issue and Paying Agent by Clearstream, Luxembourg or Euroclear a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes represented by this Global Note (as shown by its records) a certificate of non-US beneficial ownership in the form required by it. The bearer of this Global Note will not (unless upon due presentation of this Global Note for exchange, delivery of the appropriate number of Definitive Bearer Notes (together, if applicable, with the Coupons and Talons appertaining thereto in or substantially in the forms set out in Parts 3, 4 and 5 of the Schedule 2 to the Trust Deed) or, as the case may be, issue and delivery (or, as the case may be, endorsement) of the Permanent Global Note is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment hereon due on or after the Exchange Date.

information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed on or attached to such Definitive Bearer Notes) or (b) either, if the Final Terms indicates that this Global Note is intended to be a New Global Note, interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note or, if the Final Terms indicates that this Global Note is not intended to be a New Global Note, a Permanent Global Note, which, in either case, is in or substantially in the form set out in Part 2 of the Schedule 2 to the Trust Deed (together with the Final Terms attached thereto) upon notice being given by Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Global Note and subject, in the case of Definitive Bearer Notes, to such notice period as is specified in the Final Terms.

If Definitive Bearer Notes and (if applicable) Coupons and/or Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Global Note, then this Global Note may only thereafter be exchanged for Definitive Bearer Notes and (if applicable) Coupons and/or Talons pursuant to the terms hereof. This Global Note may be exchanged by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for general business in London.

- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, on an exchange of part only of this Global Note details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount of this Global Note so exchanged. On any exchange of this Global Note for a Permanent Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two to the Permanent Global Note and the relevant space in Schedule Two thereto recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Global Note as aforesaid, the bearer hereof shall (subject as provided in the next paragraph) in all respects (except as otherwise provided herein) be entitled to the same benefits as if he were the bearer of Definitive Notes and the relative Coupons and/or Talons (if any) in the form(s) set out in Parts 3, 4 and 5 (as applicable) of the Schedule 2 to the Trust Deed.

the Trust Deed, upon presentation and, at maturity, surrender of this Global Note to or to the order of the Issue and Paying Agent or any of the other Paying Agents located outside the United States, its territories and possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes.

If the Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. (**Euroclear**) and Clearstream Banking, S.A. (**Clearstream, Luxembourg** and together with Euroclear, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of each such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the amount stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II or Part III of Schedule One hereto or in Schedule Two hereto.

On any redemption or payment of interest being made in respect of, or purchase and cancellation of any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount of such Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof and any failure to make entries referred to above shall not affect such discharge.

If the Notes represented by this Global Note were, on issue, represented by a Temporary Global Note then on any exchange of such Temporary Global Note for this Global Note or any part hereof, the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note shall be increased by the nominal amount of the Temporary Global Note so exchanged; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant

space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be increased by the nominal amount of the Temporary Global Note so exchanged.

This Global Note may be exchanged (free of charge) in whole, but not in part, for Definitive Bearer Notes and (if applicable) Coupons and/or Talons in or substantially in the forms set out in Parts 3, 4 and 5 of the Schedule 2 to the Trust Deed (on the basis that all the appropriate details have been included on the face of such Definitive Bearer Notes and (if applicable) Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed on or attached to such Definitive Bearer Notes) either, as specified in the applicable Final Terms:

- (i) upon not less than 30 days' written notice being given to the Issue and Paying Agent by Euroclear and/or Clearstream Luxembourg (acting on the instructions of any holder of an interest in this Global Note); or
- (ii) only upon the occurrence of an Exchange Event.

An Exchange Event means:

- (a) an Event of Default has occurred and is continuing;
- (b) Euroclear or Clearstream, Luxembourg has been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and, in any such case no alternative clearing system satisfactory to the Trustee is available; or
- (c) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes in definitive form and a certificate to such effect signed by two directors of the Issuer is given to the Trustee.

Upon the occurrence of an Exchange Event:

- (i) the Issuer will promptly give notice to Holders in accordance with Condition 23, of the occurrence of such Exchange Event; and
- (ii) Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in this Global Note) or the Trustee may give notice to the Issue and Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (c) above, the Issuer may also give notice to the Issue and Paying Agent requesting exchange.

Any such exchange shall occur on a date specified in the notice not later than 45 days after the date of receipt of the first relevant notice by the Issue and Paying Agent.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Definitive Bearer Notes for the total nominal amount of Notes represented by this Global Note.

Any such exchange as aforesaid will be made on any day (other than a Saturday or a Sunday) on which banks are open for general business in London by the bearer of this Global Note.

The aggregate nominal amount of Definitive Bearer Notes issued upon an exchange of this Global Note will be equal to the aggregate nominal amount of this Global Note. Upon exchange of this Global Note for Definitive Bearer Notes, the Issue and Paying Agent shall cancel it or procure that it is cancelled.

Until the exchange of the whole of this Global Note as aforesaid, the bearer hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the bearer of Definitive Bearer Notes and the relative Coupons and/or Talons (if any) in the form(s) set out in Parts 3, 4 and 5 (as applicable) of the Schedule 2 to the Trust Deed.

For so long as all of the Notes are represented by a Temporary Global Note and/or this Global Note and such Global Note(s) is/are held on behalf of Euroclear and/or Clearstream, Luxembourg, notices to Holders may be given by delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg (as the case may be) for communication to the relative Accountholders (as defined below) rather than by publication as required by Condition 23, provided that, so long as such Notes are listed on a stock exchange or admitted to listing by another relevant authority, such stock exchange or other relevant authority so agrees. Any such notice shall be deemed to have been given to the Holders on the second day after the day on which such notice is delivered to Euroclear and/or Clearstream, Luxembourg (as the case may be) as aforesaid.

For so long as all of the Notes are represented by a Temporary Note and/or this Global Note and such Global Note(s) is/are held on behalf of Euroclear and/or Clearstream, Luxembourg, each person who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (each an **Accountholder**) (in which regard any certificate or other document issued by Euroclear and/or Clearstream, Luxembourg (as the case may be) as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, [the Guarantor,]⁴ the Trustee, the Issue and Paying Agent, the other Paying Agents and the Registrar as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal and interest on such nominal amount of such Notes, the right to which shall be vested, as against the Issuer [and the Guarantor]⁵ solely in the bearer of this Global Note in accordance with and subject to the terms of this Global Note and the Trust Deed. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream, Luxembourg's Creation Online system) in accordance with its usual procedures and in which the holder of a particular principal amount of Notes is clearly identified together with the amount of such holding. The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any document and/or evidence and/or information and/or certification to such effect purporting to be issued or given by Euroclear or Clearstream, Luxembourg and subsequently found to be forged or not authentic.

Claims against the Issuer [and the Guarantor]⁶ in respect of principal and interest on the Notes represented by this Global Note will be prescribed after ten years (in the case of principal) and five years (in the case of interest) from the Relevant Date (as defined in Condition 26).

In the case of Notes where Investor Put is specified as being applicable in the Final Terms only, for so long as all of the Notes are represented by a Temporary Global Note and/or this Global Note and such Global Notes(s) is/are held on behalf of Euroclear and/or Clearstream, Luxembourg, the option of the Holders provided for in Condition 15.3 may be exercised by the Accountholders giving a duly completed redemption notice in the form obtainable from any of the Paying Agents to the Issue and Paying Agent of the nominal amount of the Notes in respect of which such option is exercised and at the same time presenting or procuring the presentation of the relevant Global Note to the Issue and Paying Agent for notation accordingly within the time limits set forth in that Condition. Such redemption notices may also be given in electronic form in accordance with the standard procedures of Euroclear and/or Clearstream, Luxembourg (as the case may be).

Any such exchange shall occur not later than ten days after the date of receipt of the first relevant notice by the Registrar.

Notes represented by this Global Note are transferable only in accordance with, and subject to, the provisions hereof and of the Agency Agreement dated 22 November 2001 (as modified and/or supplemented and/or restated from time to time) and the rules and operating procedures of Euroclear, Clearstream, Luxembourg and DTC.

On any transfer pursuant to which either (i) Notes represented by this Global Note are no longer to be so represented or (ii) Notes not so represented are to be so represented details of such transfer shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such transfer shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes held by the registered holder hereof shall be increased or reduced (as the case may be) by the nominal amount so transferred.

Subject as provided in the following paragraph, until the exchange of the whole of this Global Note as aforesaid, the registered holder hereof shall in all respects be entitled to the same benefits as if he were the registered holder of Definitive Registered Notes in the form set out in Part 7 of the Schedule 2 to the Trust Deed.

For so long as all of the Notes are represented by one or more Registered Global Notes and such Global Note(s) is/are held on behalf of Euroclear and/or Clearstream, Luxembourg and/or DTC, notices to Holders may be given by delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or DTC (as the case may be) for communication to the relative Accountholders (as defined below) rather than by mailing as required by Condition 23, provided that, so long as such Notes are listed on a stock exchange or admitted to listing by another relevant authority, such stock exchange or other relevant authority so agrees. Any such notice shall be deemed to have been given to the Holders on the second day after the day on which such notice is delivered to Euroclear and/or Clearstream, Luxembourg and/or DTC (as the case may be) as aforesaid.

For so long as all of the Notes are represented by one or more Registered Global Notes and such Global Note(s) is/are held on behalf of Euroclear and/or Clearstream, Luxembourg and/or DTC, each person who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg and/or DTC as the holder of a particular nominal amount of such Notes (each an **Accountholder**) (in which regard any certificate or other document issued by Euroclear and/or Clearstream, Luxembourg and/or DTC (as the case may be) as to the principal amount of such Notes standing to the account of any person shall be conclusive and binding for all

purposes save in the case of manifest error) shall be treated as the holder of such nominal amounts of such Notes for all purposes (including for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Holders) other than with respect to the payment of principal and interest on such nominal amount of such Notes and, in the case of DTC or its nominee, voting, giving consents and making requests, the rights to which shall be vested, as against the Issuer [and the Guarantor]⁸ solely in the registered holder of the Registered Global Note in accordance with and subject to its terms and the terms of the Trust Deed. Each Accountholder must look solely to Euroclear, Clearstream, Luxembourg and/or DTC, as the case may be, for its share of each payment made to the registered holder of the relevant Global Note.

Claims against the Issuer [and the Guarantor,]⁹ in respect of principal and interest on the Notes represented by this Global Note will be prescribed after ten years (in the case of principal) and five years (in the case of interest) from the Relevant Date (as defined in Condition 26).

In the case of Notes where Investor Put is specified as applicable in the Final Terms only, for so long as all of the Notes are represented by a one or more Registered Global Notes and such Global Notes(s) is/are held on behalf of Euroclear and/or Clearstream, Luxembourg and/or DTC, the option of the Holders provided for in Condition 15.3 of the Terms and Conditions of the Notes may be exercised by the Accountholders giving a duly completed redemption notice in the form obtainable from any of the Paying Agents to the Issue and Paying Agent of the nominal amount of the Notes in respect of which such option is exercised and at the same time presenting or procuring the presentation of the relevant Global Note to the Issue and Paying Agent for notation accordingly within the time limits set forth in that Condition. Such redemption notices may be in electronic form in accordance with the standard procedures of Euroclear and/or Clearstream, Luxembourg and/or DTC (as the case may be).

In the case of Notes where Issuer Call is specified as applicable in the Final Terms only, for so long as all of the Notes are represented by one or more Registered Global Notes and such Global Notes(s) is/are held on behalf of Euroclear and/or Clearstream, Luxembourg and/or DTC, in the event that the Issuer exercises its call option pursuant to Condition 15.2 in respect of less than the aggregate nominal amount of the Notes outstanding at such time, the standard procedures of Euroclear and/or Clearstream, Luxembourg and/or DTC shall operate to determine which interests in the Global Note(s) are to be subject to such option (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion).

References herein to Euroclear and/or Clearstream, Luxembourg and/or DTC shall be deemed to include references to any other clearing system specified in the relevant Final Terms or as may otherwise be approved by the Issuer, [the Guarantor,]¹⁰ the Issue and Paying Agent and the Trustee.

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

This Global Note (and any non-contractual obligations arising therefrom or in connection therewith) is governed by, and shall be construed in accordance with, English law.

Subject as aforesaid it shall not be necessary to give any notice of an adjourned meeting.
8. Every question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the Chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Holder of a voting certificate or as a proxy or as a representative.
9. At any meeting unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman, the Issuer, the Guarantor (where the Issuer is PFA), the Trustee or any person present holding a Definitive Note of the relevant Series or a voting certificate or being a proxy or representative (whatever the nominal amount of the Notes so held or represented by him) a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
10. Subject to paragraph 12 below, if at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
11. The Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.

12. Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.
13. The Trustee and its lawyers and any director, officer or employee of a corporation being a trustee of these presents and any director or officer of the Issuer or (where the Issuer is PFA) the Guarantor and the lawyers of either of them and any other person authorised so to do by the Trustee may attend and speak at any meeting. Save as aforesaid, but without prejudice to the proviso to the definition of outstanding in Clause 1, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of Holders or join with others in requesting the convening of such a meeting or to exercise the rights conferred on Holders by Condition 18 or Condition 19, as the case may be, unless he either produces the Definitive Bearer Note or Definitive Bearer Notes of which he is the holder or a voting certificate or is a proxy or a representative or is the holder of a Definitive Registered Note or Definitive Registered Notes. No person shall be entitled to vote at any meeting in respect of Notes held by, for the benefit of, or on behalf of, the Issuer, the Guarantor (where the Issuer is PFA) or any Subsidiary of the Issuer or (where the Issuer is PFA) the Guarantor. Nothing herein shall prevent any of the proxies named in any block voting instruction or form of proxy from being a director, officer or representative of or otherwise connected with the Issuer or (where the Issuer is PFA) the Guarantor.
14. Subject as provided in paragraph 13 hereof at any meeting:
 - (a) on a show of hands every person who is present in person and produces a Definitive Bearer Note or voting certificate or is a holder of a Definitive Registered Note or is a proxy or representative shall have one vote; and
 - (b) on a poll every person who is so present shall have one vote in respect of each £1 or such other amount as the Trustee may in its absolute discretion stipulate (or, in the case of meetings of holders of Notes denominated in another currency, such amount in such other currency as the Trustee in its absolute discretion may stipulate) in nominal amount of the Definitive Bearer Notes so produced or represented by the voting certificate so produced or in respect of which he is a proxy or representative or in respect of which (being a Definitive Registered Note) he is the registered holder.

Without prejudice to the obligations of the proxies named in any block voting instruction or form of proxy any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

A notarially certified copy of each block voting instruction and form of proxy shall be deposited with the Trustee before the commencement of the meeting or adjourned meeting but the Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the proxies named in any such block voting instruction or form of proxy.
17. that no intimation in writing of such revocation or amendment shall have been received from the relevant Paying Agent or in the case of a Registered Note from the holder thereof by the Issuer at its registered office (or such other place as may have been required or approved by the Trustee for the purpose) by the time being 24 hours and 48 hours respectively before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction or form of proxy is to be used.

 - (f) Power to approve of a person to be appointed a trustee and power to remove any trustee or trustees for the time being of these presents.
 - (g) Power to discharge or exonerate the Trustee and/or any Appointee from all liability in respect of any act or omission for which the Trustee and/or such Appointee may have become responsible under these presents.
 - (h) Power to authorise the Trustee and/or any Appointee to concur in and execute and do all such deeds, instruments, acts and things as may be necessary to carry out and give effect to any Extraordinary Resolution.
 - (i) Power to sanction any scheme or proposal for the exchange or sale of the Notes for or the conversion of the Notes into or the cancellation of the Notes in consideration of shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities of the Issuer, the Guarantor (where the Issuer is PFA) or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of such shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities as aforesaid and partly for or into or in consideration of cash and for the appointment of some person with power on behalf of the Holders to execute an instrument of transfer of the Registered Notes held by them in favour of the persons with or to whom the Notes are to be exchanged or sold respectively.

whether or not voting and upon all Couponholders and each of them shall be bound to give effect thereto accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any resolution duly considered by the Holders shall be published in accordance with Condition 23, by the Issuer within 14 days of such result being known PROVIDED THAT the non-publication of such notice shall not invalidate such result.

20. The expression Extraordinary Resolution when used in these presents means (a) a resolution passed at a meeting of the Holders duly convened and held in accordance with these presents by a majority consisting of not less than three-fourths of the persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than three-fourths of the votes cast on such poll; or (b) a resolution in writing signed by or on behalf of the Holders of not less than 75% in nominal amount of the Notes for the time being outstanding, which resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Holders.
21. 22. (a) If and whenever the Issuer shall have issued and have outstanding Notes of more than one Series the foregoing provisions of this Schedule shall have effect subject to the following modifications:
 - (i) a resolution which in the opinion of the Trustee affects the Notes of only one Series shall be deemed to have been duly passed if passed at a separate meeting of the holders of the Notes of that Series;
 - (ii) a resolution which in the opinion of the Trustee affects the Notes of more than one Series but does not give rise to a conflict of interest between the holders of Notes of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Notes of all the Series so affected;
 - (iii) a resolution which in the opinion of the Trustee affects the Notes of more than one Series and gives or may give rise to a conflict of interest between the holders of the Notes of one Series or group of Series so affected and the holders of the Notes of another Series or group of Series so affected shall be deemed to have been duly passed only if passed at separate meetings of the holders of the Notes of each Series or group of Series so affected; and
 - (iv) to all such meetings all the preceding provisions of this Schedule shall *mutatis mutandis* apply as though references therein to Notes and Holders were references to the Notes of the Series or group of Series in question or to the holders of such Notes, as the case may be.
- (b) If the Issuer shall have issued and have outstanding Notes which are not denominated in sterling in the case of any meeting of holders of Notes of more than one currency the nominal amount of such Notes shall (i) for the purposes of paragraph 2 above be the equivalent in sterling at the spot rate of a bank nominated by the Trustee for the conversion of the relevant currency or currencies into sterling on the seventh dealing day prior to the day on which the

requisition in writing is received by the Issuer and (ii) for the purposes of paragraphs 5, 6 and 14 above (whether in respect of the meeting or any adjourned such meeting or any poll resulting therefrom) be the equivalent at such spot rate on the seventh dealing day prior to the day of such meeting. In such circumstances, on any poll each person present shall have one vote for each £1 (or such other sterling amount as the Trustee may in its absolute discretion stipulate) in nominal amount of the Notes (converted as above) which he holds or represents.

23. Subject to all other provisions of these presents the Trustee may without the consent of the Issuer, the Guarantor (where the Issuer is PFA), the Holders or the Couponholders prescribe such further regulations regarding the requisitioning and/or the holding of meetings of Holders and attendance and voting thereat as the Trustee may in its sole discretion think fit (including, without limitation, the holding of meetings by conference call, including by use of a videoconference platform).
