

Group Resilience Policy

Objective

The purpose of the Group Resilience Policy is to set the framework by which Prudential plc can ensure a level of security and resilience commensurate with its regulatory and legal obligations, while meeting the demands of a competitive commercial organisation.

Principles

Each Business Unit (BU) and Local Business Unit (LBU) is required to:

- Fully comply with all relevant local regulatory and statutory requirements.
- Fully comply with the requirements of the policy and accompanying standards relating to Physical and Travel Security, Health and Safety and Business Continuity.
