This report is made solely to the company's directors, as a body, in accordance with the requirements of rule 9.35 of the Rules. We acknowledge that the directors are required to submit this report to the FSA, to enable the FSA to verify that an auditor's report has been commissioned by the company's directors and issued in accordance with the requirements of rule 9.35 of the Rules and to facilitate the discharge by the FSA of its regulatory functions in respect of the company, conferred on the FSA by or under the Financial Services and Markets Act 2000. Our audit work has been undertaken so that we might state to the company's directors those matters we are required to state to them in an auditor's report issued pursuant to rule 9.35 of the Rules and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's directors as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the company and its auditors

The company is responsible for the preparation of an annual return (including the Forms, the Statements, the statement not examined by us and the certificate) under the provisions of the Rules. Under rule 9.11 the Forms, the Statements, the statement not examined by us and the certificate are required to be prepared in the manner specified by the Rules and to state fairly the information provided on the basis required by the Rules.

report to you if, in our opinion, the company has not kept proper accounting records or if we have not received all the information we require for our examination.

Basis of opinion

We conducted our work in accordance with Practice Note 20 “The audit of insurers in the United Kingdom” and Bulletin 2004/5 issued by the Auditing Practices Board. Our work included examination, on a test basis, of evidence relevant to the amounts and disclosures in the Forms and Statements. The evidence included that previously obtained by us relating to the audit of the financial statements of the company for the financial year. It also included an assessment of the significant estimates and judgements made by the company in the preparation of the Forms and Statements.

We planned and performed our work so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the Forms and Statements are free from material misstatement, whether caused by fraud or other irregularity or error, and comply with rule 9.11.

Opinion

In our opinion:

the Forms and the Statements fairly state the information provided on the basis required by the Rules and have been properly prepared in accordance with the provisions of those Rules.
