Why we exist
Our markets in Asia and Africa typically have substantial savings and protection gaps, fuelling demand for our products.

The difference we make
Customers are at the heart of everything we do. We help our customers by making healthcare affordable and accessible and by promoting financial inclusion. We protect our customers’ wealth, help them grow their assets, and empower them to save for their goals.

Adding long-term value
We are confident that our clear and focused strategy, coupled with our proven execution ability, leaves us well placed to continue to deliver value for our shareholders and all our stakeholders over the long-term.

Our operations

In Asia, we provide savings and protection products in many markets challenged by low insurance penetration and a pension funding gap. In Africa, we are building businesses in some of the world’s most under-penetrated markets.

Our largest businesses are based in the Chinese Mainland, Singapore, Hong Kong, Malaysia and Indonesia.

Our multi-channel and integrated distribution strategy enables us to adapt flexibly to changing local market conditions in order to deliver products and services to targeted consumer segments and support our growth ambitions. Our distribution network encompasses agency and bancassurance partnerships with a digital platform.

Diversified footprint and leading presence in Asia and Africa

Access to 4.0bn population

Presence in 24 markets across Asia and Africa

Top 3 position in 12 Asian life insurance markets

#1 in the Syariah market in Malaysia and Indonesia

Providing an accessible multi-channel platform for customers to choose their preferred ways of interaction

>100,000 active agents

>7,000 agents qualifying for Million Dollar Round Table status

>190 bancassurance partners, giving access to

>27,000 bank branches
A customer-centric organisation, driven by customer needs

Customers are at the heart of everything we do.

We seek to expand the coverage of our health and financial security products in an inclusive manner, delivering solutions that recognise the evolution and needs of non-nuclear families, women, religious minorities, small and medium-sized enterprises and lower-income groups.

We have well established core expertise in utilising data and insights to improve customer interactions and make operational improvements to provide a differentiated and personalised experience to our customers.

We have adopted a systematic approach to understanding customer feedback and then applying the insights gained to continually improve our offerings with the aim of delivering best-in-class customer experiences through each touchpoint and interaction.

---

**Eastspring**

Eastspring is the pan-Asia asset management arm of Prudential, with a presence in 11 Asian markets and distribution offices in North America and Europe. Eastspring is a top-10 asset manager in six of these markets, managing or advising on $221.4 billion in assets. Eastspring is well placed to address the saving and investment needs of customers across the region through a team of 300 investment professionals with local market expertise.

Eastspring also benefits from reliable and stable fund inflows from the Group’s insurance businesses which, together with its broad regional footprint, it can leverage to meet the long-term opportunity to grow penetration from the market’s current low base.

Eastspring is also playing an important role as an active asset manager and is engaging with investee companies and governments in supporting our commitment to carbon reduction in our insurance company asset portfolio, allowing us to deliver profitable growth alongside a positive social impact.
