PRUDENTIAL ASSURANCE COMPANY.

CHIEF OFFICES : 62 LUDGATE HILL, LONDON.

TWENTY-NINTH ANNUAL REPORT,

For the Year ending 31st December, 1877.

HE Shareholders are aware that in the year 1875 the Company obtained an Act of Parliament, enabling them, among other things, to pass a Special Resolution for the entire separation of the Ordinary and Industrial Branches of the Company, and for keeping separate and distinct accounts for each Branch.

Under the powers of the Act, a Special Resolution was accordingly passed, and from and after the 31st December, 1876, the two Branches have been kept entirely distinct, and the accounts are now rendered in conformity with that Resolution.

It may be useful to remind the Shareholders that, for all practical purposes, the two Branches are as distinct as if they were worked by separate Companies, and it is believed that great advantage will be derived therefrom.

In accordance with the Special Resolution so passed, a division of the Funds of the Company on 31st December, 1876, was made, and attention is drawn to the Statement showing the division, which is printed before the usual accounts.

The Annual Premium Income at the close of the year is $\pounds 1,227,803$ 4s. 0d., showing an increase of $\pounds 247,227$ 6s. 0d. over the Income of the previous year.

The Assurance Fund, which, at the beginning of the year, was $\pounds_{373,492}$ 16s. od., is now $\pounds_{536,298}$ 17s. 9d. showing an Increase of $\pounds_{162,806}$ 1s. 9d.; but this does not show the actual increase for the year, by reason of the necessary adjustment, consequent upon the Quinquennial Valuation of both Branches, and the transfer of various items from the Assurance Fund to other funds.

It is with the deepest regret that the Directors have to report the death of two of their colleagues—the Rev. J. GILLMAN and Mr. H. J. GIBBINS.

Mr. GILLMAN had been a Director of the Company for upwards of 26 years, and had filled the highly responsible position of Chairman for more than 25 years. The services which he rendered to the Institution in its early history were most valuable, and were characterised by unusual self-denial.

Mr. GIBBINS joined the Board in 1865, and his matured knowledge of Assurance business was particularly useful to the Company.

The most intimate and cordial relations always existed between the Board and their late colleagues, and the Company has sustained a great loss by their decease.

Mr. HARBEN having been elected an additional Director in 1873, it was not considered necessary on the death of the late Chairman to elect another Director.

5

The vacancy caused by the death of Mr. GIBBINS has been filled by the election of Dr. ROBERT CROSS, an old Shareholder, who has been Medical Adviser of the Company for many years. Such election will be submitted to the Shareholders for confirmation.

The Board have elected as their Chairman Mr. EDGAR HORNE, who has been a Director of the Company from its commencement in 1848.

The operations of the Company having so largely and rapidly increased, the present Offices have proved quite inadequate to its requirements. A large Freehold Site at Holborn Bars has, accordingly, been secured, on which a suitable building is in course of erection, and to which the business will be shortly removed.

The retiring Directors are Messrs. HORNE and PUGH, who offer themselves for re-election.

The Auditors, Messrs. Allanson and BARNES, also retire, and offer themselves for re-election.

PRUDENTIAL ASSURANCE COMPANY.

Under the provisions of the Prudential Assurance Company Act 1875, an investigation was to be made, on the 31st December 1876, of the business of the Ordinary and Industrial Branches respectively, and separate Funds were to be set aside for the liabilities of each Branch as from that date.

The following Statement shews the distribution which has been made :
